

THE ANCHOR 1964

Tito Hualde

Dedication

REVEREND FATHER WILLIAM B. McCARTIN, B.A., M. ED.
SUPERINTENDENT OF SCHOOLS
THE DIOCESE OF TUCSON, ARIZONA

This second edition of THE ANCHOR is respectfully dedicated to our Diocesan Superintendent of Schools, Father William B. McCartin. All of us at Bourgade know from personal experience the zeal and generosity that animate him in his indefatigable efforts to better Catholic education in our diocese and his constant willingness to assist the various schools in all their endeavors. This dedication is our way of saying our sincere thanks to Father for all he has done for Bourgade.

There Was a Man Sent from God Whose Name Was John - - -

No record of 1962-1963 would be complete without a mention of the great and saintly Pope John XXIII.

Certainly historians will write that our world was greatly improved by the example and deeds of this great leader of the Church who won the hearts not only of those of His own Faith but of all men of good will in the short years of his pontificate.

The great ecumenical movement whose beneficial effects we are presently feeling and will continue to feel for years to come had its origin in the love of this great John.

Bourgadeans learned to love Him as their Father and Leader in the movement to try to win souls for Christ.

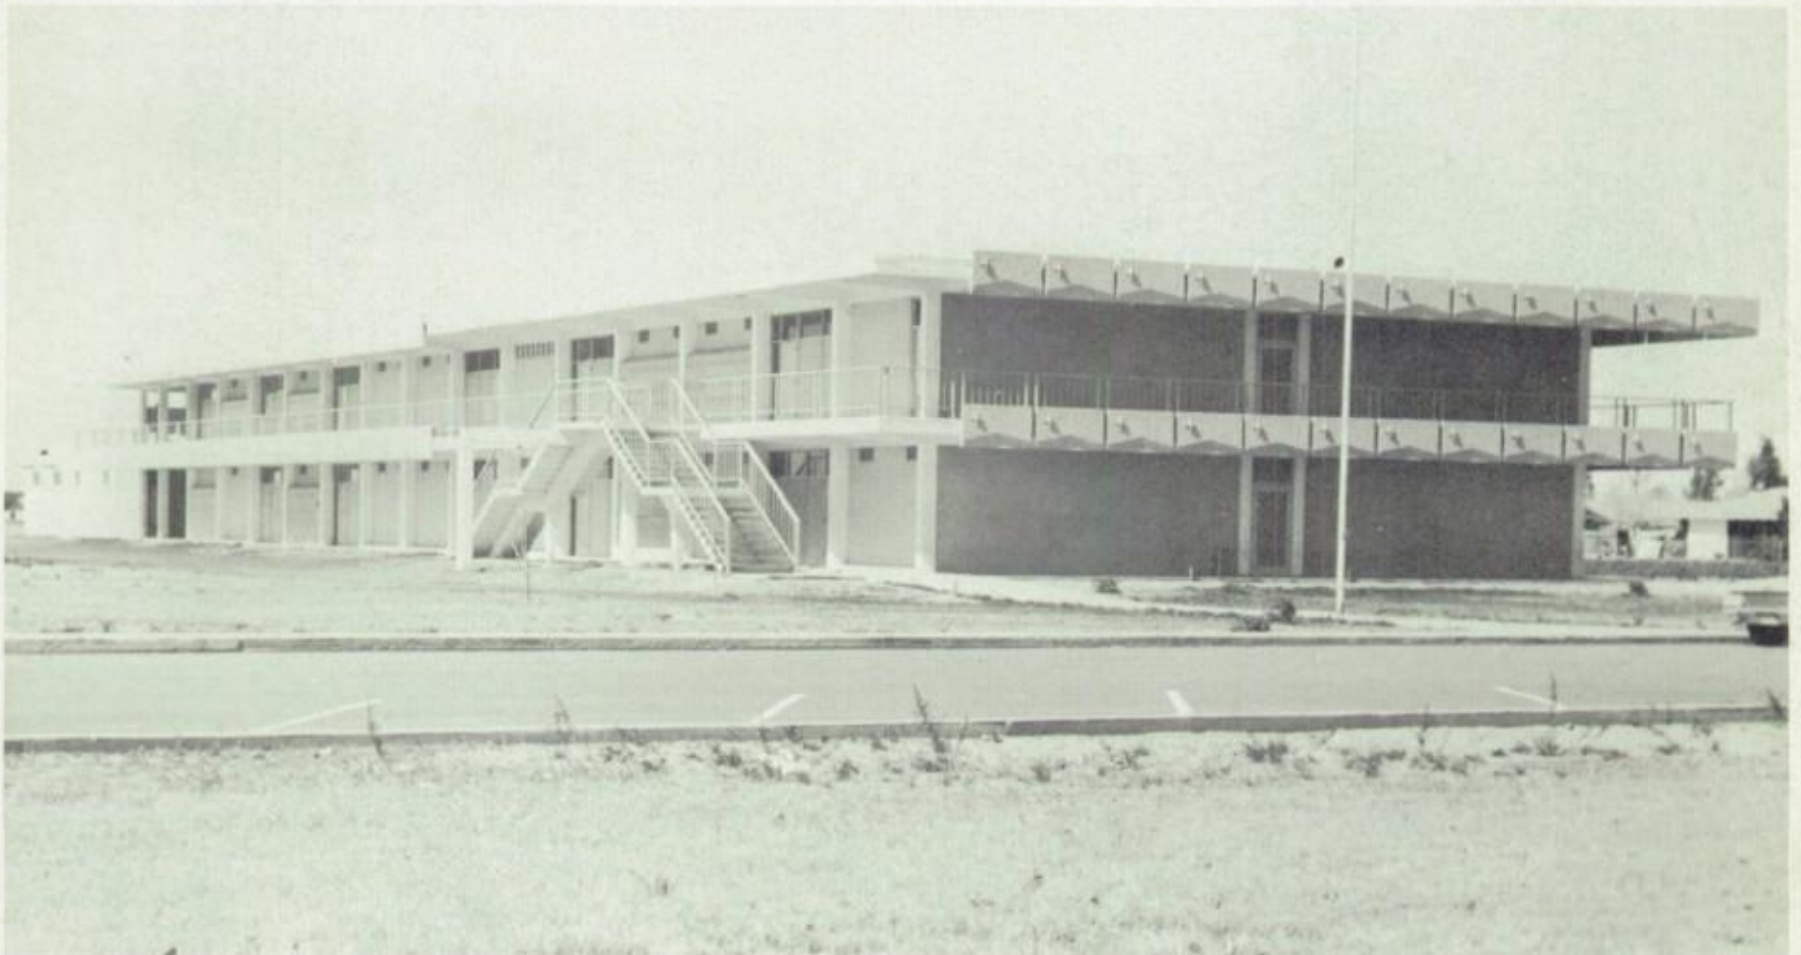

Things came to a sudden standstill at Bourgade when the news of the assassination of President Kennedy was announced over our PA system. Shock and grief overwhelmed all. Prayers were immediately said for the repose of his soul. School closed in his honor.

A Solemn Requiem Mass was sung at St. Louis King Church for the repose of his soul. All the students attended.

Father Hillmann, S.M., Principal, delivered the eulogy at this Mass and pointed out that the late President had set a very high standard for all Americans, one which students at Bourgade could very well carry into their life here at school and later on in whatever field of endeavor they might enter . . . the idea of forgetfulness of self for the common good . . . the charity of Christ which should animate us all!

Bourgade High

First wing of Bourgade...now in use. The plant will be beautiful when completed. A whole lot of living and learning has gone on in this wing...and more will come!

Here is Fort Huachucha...or the Half-House... the first section of the very fine Faculty House for the Fathers and Brothers... un-landscaped though it be, we all love it and wait till the next annual and see the improvements!

Back Row: L-R: Col. Burns, Mr. Weninger, Bro. Champeau, Mr. Lenegan, Mr. Coyer. Seated: Bro. Ted, Bro. Peter, Fr. Crowley, Fr. Emmerth, Fr. Blee, Fr. Fox. (Fr. Hillmann took the picture)

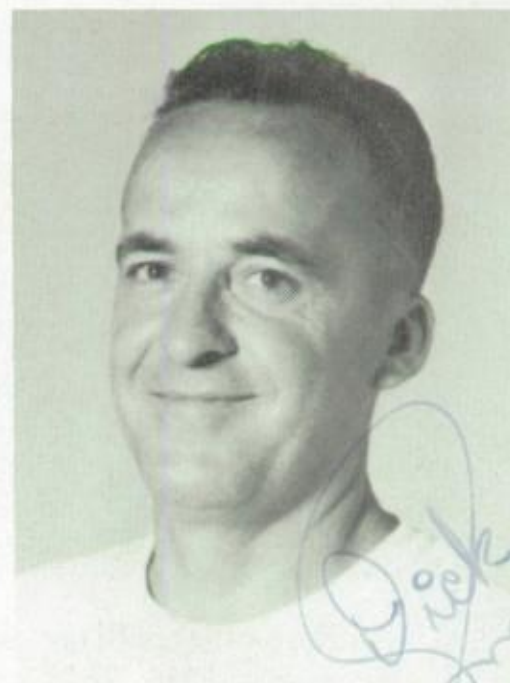

Student Council Officers

L-R. Pat Burns - Treas., Theresa Risolo - Vice Pres., Nancy Welnick - Secty., Joe Lees - Pres.

Our Man Dick

Dick Swaufield is an important man around Bourgade. His knowledge of air conditioning keeps us cool; his knowledge of heating keeps us warm. His knowledge of gardening makes Bourgade beautiful....and he drives our Blue Angel bus, too!

Class Officers

These elected officials help run Bourgade... L-R (back row) Greg Kalkbrenner, Mike Voiland, Dwight Ochocki, Dick Gass, Tim Cancilla, Rex Christensen, Jim Shikany, Alex Obis, Terry Nellis. (front row) Mark Arena, Tom Baranski, Rufino Hualde, Wayne Dessaint, and Pat Carney.

On the Girls' side these officers help: Standing: Gerry O'Neill, Peggy Calabianchi, Peggy Cunningham, Sharon Markham, Jacque Beach, Kathi Thaden, Barbara Lubbehusen, Beth Cummings and Patricia McGinn. Kneeling: Linda Kerker, Mary Jo Marsh, Linda Metzger, Jackie Jasman, Peggy Warner, and Dolores Sety.

It is an honor to hold a class office at Bourgade and all elected officers measure up to the confidence placed in them.

Freshman Sodality

Freshman Sodality meeting. Shown above are Jacque Evans, Kathryn Schwab, Terry Warner, Pat Theisen, Linda Callan, Helen Burke and Linda Sweeney.

The Sodality is a big movement among the girls at Bourgade.

Pictures of the Sophomore Sodality are found elsewhere in THE ANCHOR.

Moderators for the Girls Sodalities are Mother Aquinas, I. B. V. M. and Sister Mary Augustine, C. H. M.

Religious, charitable and social events mark the Sodality calendar.

Every Bourgade girl should belong and contribute time and talents to the movement... She will get more out of the Sodality than she puts in it.

Boys Sodality

Father Blee, S.M., Boys' Sodality Moderator, invests Joe Lees on the occasion of the Sodality Reception. Rick Meehl awaits his turn.

The Sodality is the spiritual association for boys at Bourgade.

Membership is earned by outstanding performance in the fields of religion and school service.

Sodalists are students who practice what Bourgade teaches.

Famous words around Bourgade...

"You really don't have to be a Mario Lanza, you know...sing, gentlemen, sing!"

Bill Crowley and Doug Ferguson have at it during the Sodality Reception. Bet they didn't know Father Fox was near with his trusty camera!

May Crowning

Our first May at Bourgade brought with it our first Mary Procession and crowning.

Bourgade students have a special devotion to Mary, Queen of May.

Here we see the procession forming at the administration office... all students and faculty members walked in procession reciting the Rosary and singing hymns to Our Lady. Parents and friends joined the prayers and hymns.

All in all, our first May was truly Marian.

Reverend Father Edwin J. McDermott, S.J., Principal of Brophy College Prep, delivers the oration of the evening as Father Hillmann and Father Paul Smith, the pastor of Sts. Simon and Jude parish, listen attentively.

Father Paul Smith later was celebrant of Benediction to close the ceremonies for the evening.

The Girls' Sodality President, Norma Terborg, and her court of honor walk in the procession. Ladies of the court include Rita Ruminski, Georgiana Duffy, Virginia Austin, Barbara Weidler and Martha Flores. Greg Kalkbrenner is seen in the background.

Not the best shot in the world, this is the best one we have of the actual May Crowning.

Norma Terborg places the crown on the statue of Our Lady.

Mike Vasquez and Greg Kalkbrenner assist.

Our outside altar was prepared by the Ladies of Loretto and the girls of Bourgade. The boys did a lot of chair-carrying for this first annual May Crowning.

September 8th, Our Lady's Birthday, was the occasion of the Perpetual Profession of Brother Peter, S.M. Pictured at St. Gregory's Convent Chapel where the ceremony was held are Father Hillmann, S.M., Father Emmerth, S.M. and Brother Peter, S.M. Father Blee, S.M. who also assisted at the profession is not shown.

Since our chapel is not big enough to hold the entire Student Body we held our Advent Wreath Ceremony in the chemistry shell.

Father Emmerth, S.M. here blesses the Advent Wreath.

Theresa Risola and Joe Lees represent the Student Body in leading the Advent Wreath prayers.

The girls choir sang the hymn for the occasion.

Distinguished Visitors

During the last few months Bourgade has had several distinguished visitors.

Coming to see us from the Marist Fathers' General House in Rome, Italy, was the Very Reverend James Lambert, S.M., Secretary General of the Society of Mary. Father Lambert was making his canonical visitation of the Phoenix Marist establishment.

Pictured here with Mrs. Reardon and Father Hillmann, S.M., Father Lambert goes over the financial accounts as part of his visitation.

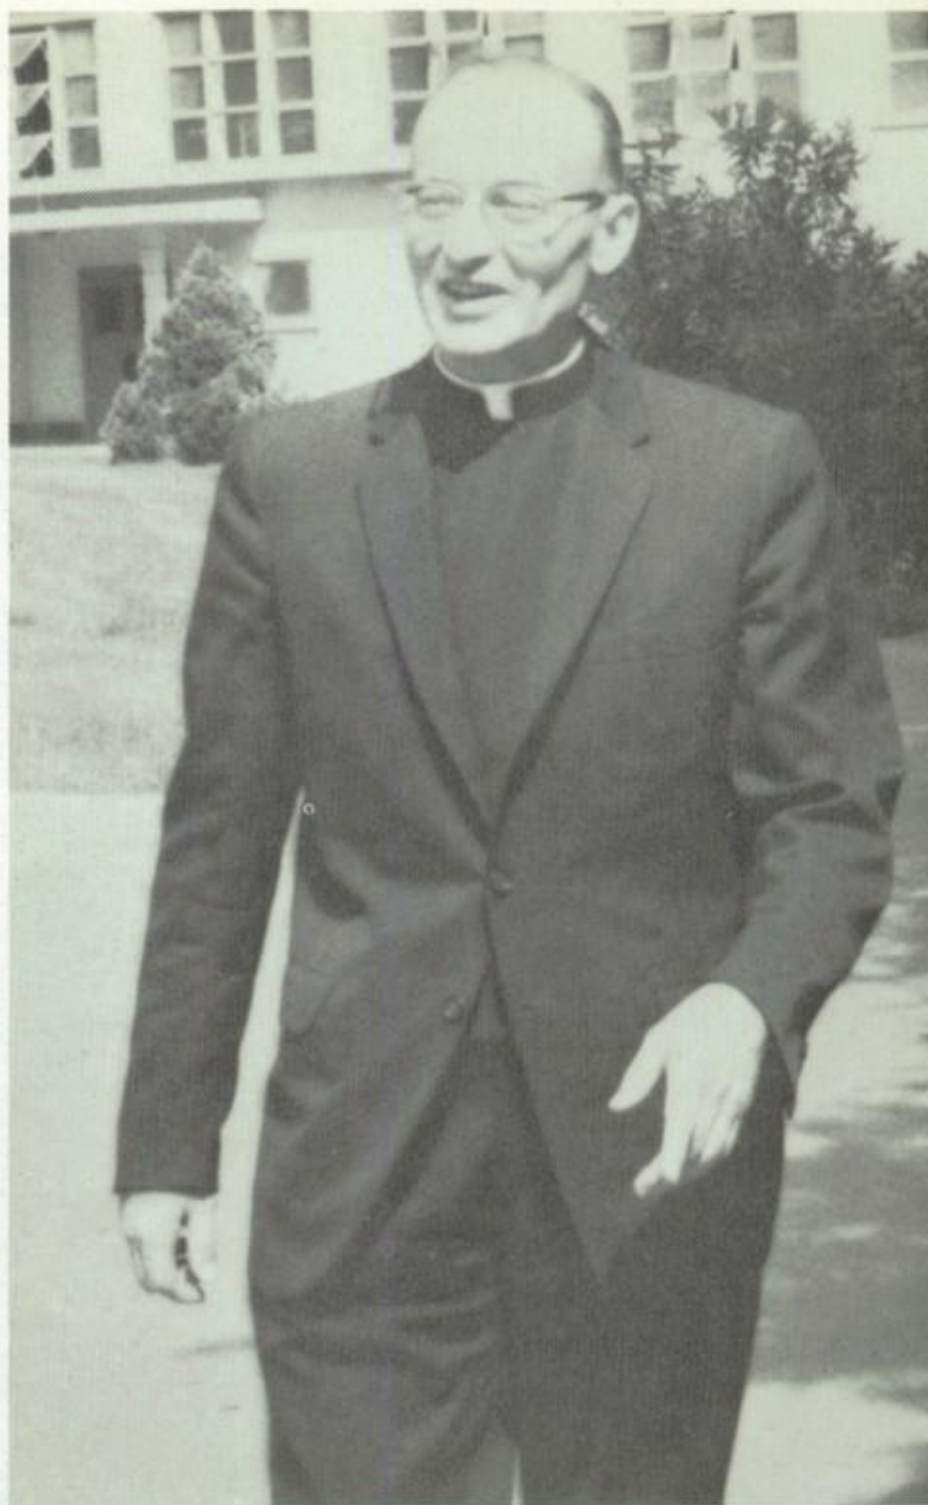

Yet another distinguished guest was Reverend Mother Mary Nicholas, C.H.M., Superior General of the Humility Sisters. Mother Mary Nicholas came to see us from Ottumwa, Iowa.

L-R. Fr. Hillmann, Sr. Augustine, the Reverend Mother General, Sr. Simone, and Sr. Lorene.

The Very Reverend Julian S. Marquis, S.M., Provincial Superior of the San Francisco Province of the Society of Mary, honored Bourgade with a visit on the occasion of his canonical visitation of the Marist Fathers house in Phoenix.

Father Marquis is responsible for the appointment of all Marist Fathers and Brothers to Bourgade and has a deep interest in our school.

Pictured at the left is the Reverend Mother General of the Ladies of Loretto. Reverend Mother Mary Constance, I.B.V.M. also honored Bourgade by visiting us during this school year. Reverend Mother resides in Toronto Canada and is the religious superior of all the Loretto Sisters at Bourgade and St. Gregory's.

Bourgade was honored by Mother's visit and we hope she will return again soon.

Bourgade's Home and School Association

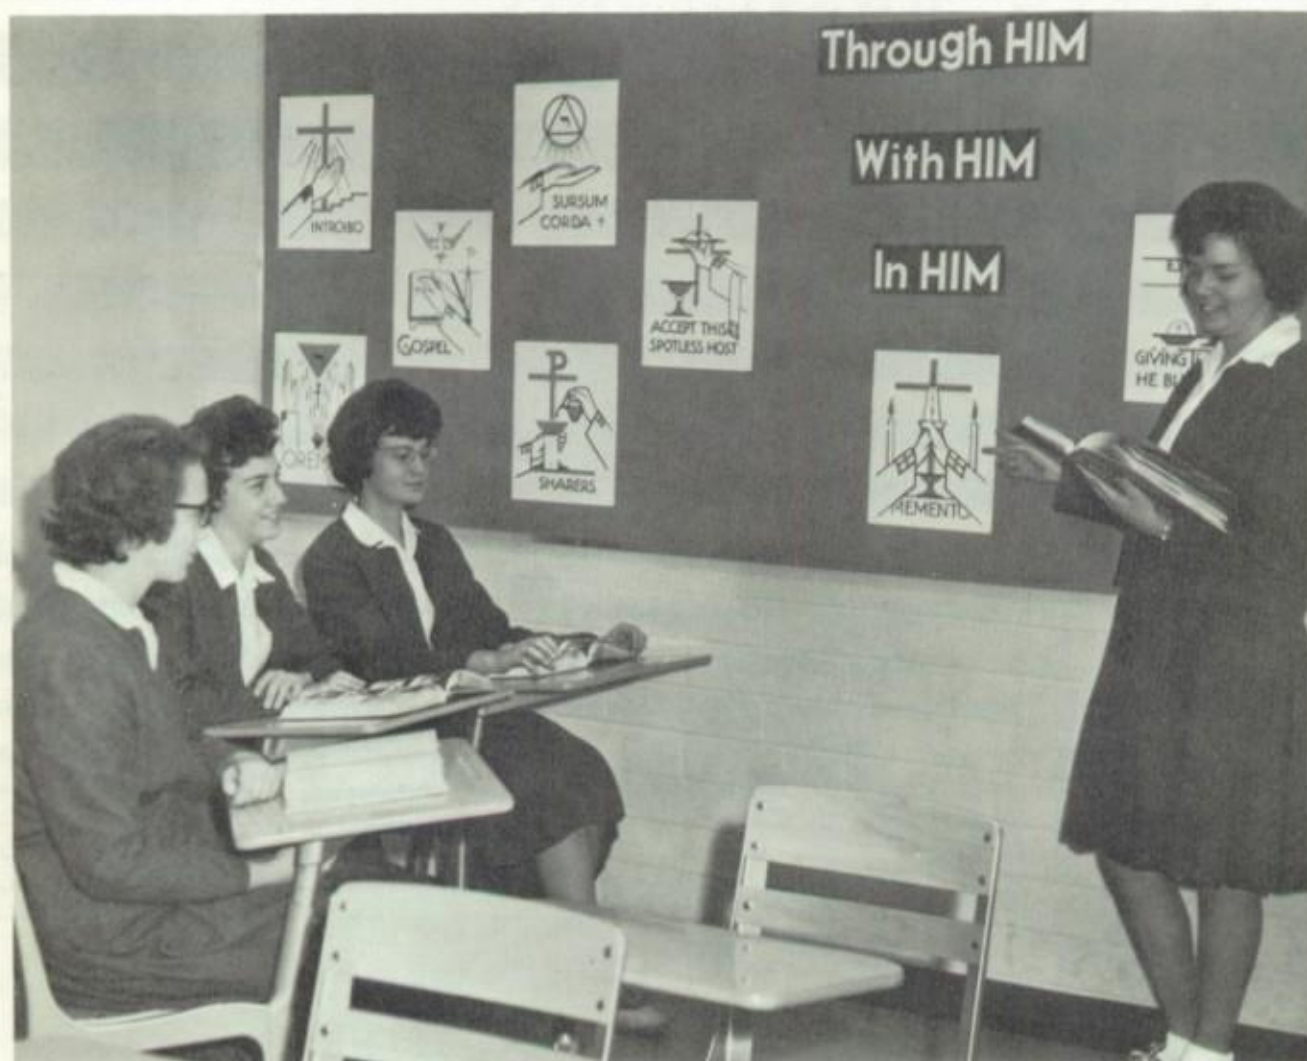

L-R - Charles Weidler, Treas.; Mrs. Charles Weidler, Vice-Pres.; Philip McCormack, Pres.; Mrs. Don Warner, Secty.; Paul Kalkbrenner, II Vice Pres.

No record of Bourgade High School would be complete without a mention of our Bourgade Home and School Association.

The Home and School Association has done much to help with providing various needs at Bourgade. The contribution of this organization towards the bettering of our school cannot be counted in dollars and cents, although their generous work has brought us much in this line. It is the FAMILY SPIRIT that animates these good fathers and mothers and friends of Bourgade that has done so much for us.

All at Bourgade are most grateful to our efficient and zealous Home and School Association.

Religion - Girls

Religion Class is always an important part of each day at Bourgade High School.

Bourgadeans learn to know and love God and to experience the happiness that comes with their knowledge.

L. --R.: Mary Alice Alwin, Susan Smith, Kathy McCaleb and Martha Sherwood.

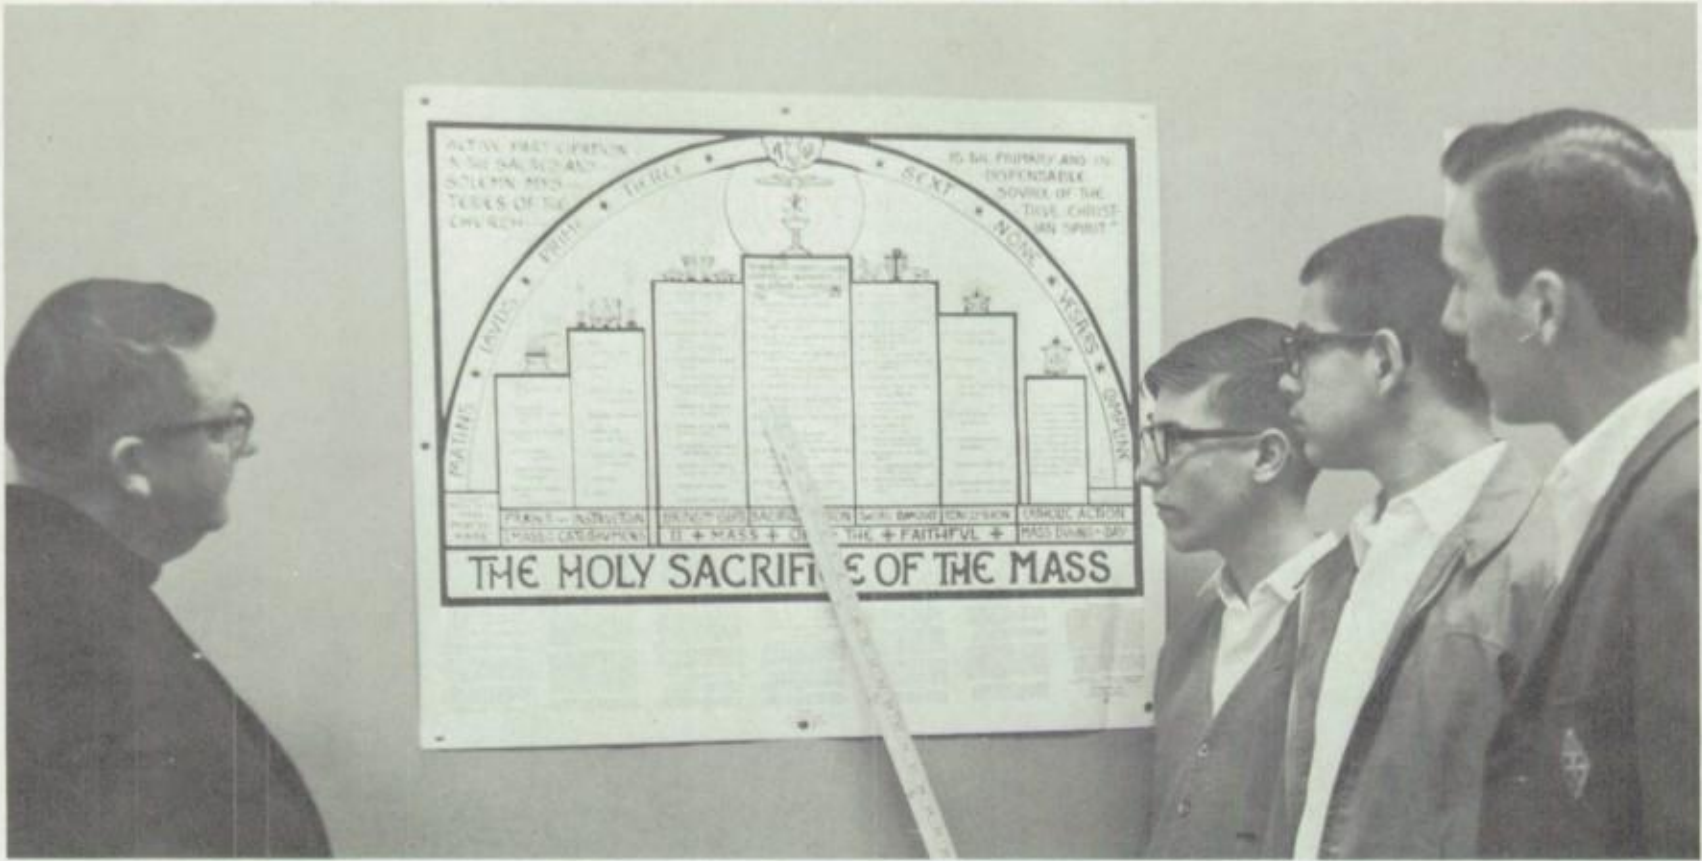

Pictured with Sister Mary Simone in Religion Class are left to right: Geraldine Collins, Norha Theisen, Anne Mahone, Nancy Hartman and Ruth Hurkmans.

In Religion Class the Blue Angels learn the why of what they believe.

They later on put this why into action throughout their whole school life, and it is hoped will continue to use their knowledge as long as they live.

Religion - Boys

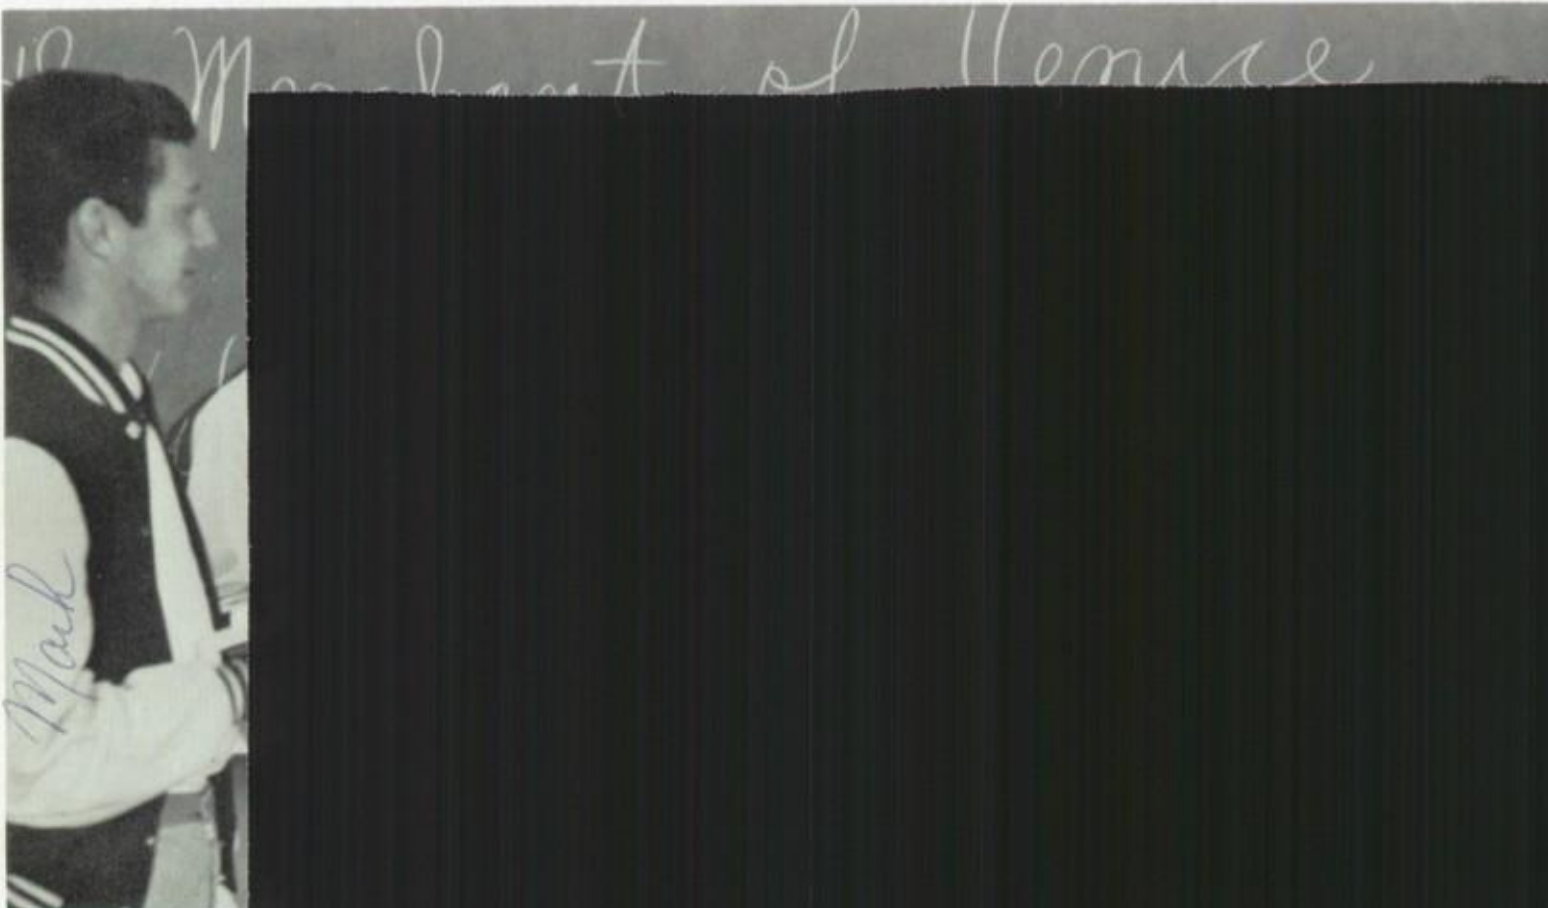

Sophomore Religion Class spends time on the study of the Mass. As Father Hillmann, S. M. watches carefully, Bill Klein makes a point. Checking Bill are his classmates Mike Voiland and Bill Fait.

Other students in Sophomore Religion One prepare talks on various aspects of the Mass, the vestments, the sacred vessels. Interest is high this year since Latin Students seem to prefer the vernacular for the Mass.

English - Boys

SAPIENS CUM LIBRO...could very well be the title of this page... BUT.. BOOKS ARE IMPORTANT in the study of English... Looking over the text here is Sophomore Section One.. Knefel, Klein, Mr. Lenegan, Immordino and Warner.

Girls' English

Is the feather really mightier than the sword?

Maureen Bruchhauser seems to have her tongue in her cheek as she writes an essay for Frosh English.

Theresa Beaudoin seems to be enjoying the whole affair.

Freshmen girls at Bourgade are daily busy about the mastery of the Queen's English... or is it the King's?

'Riting sure is more fun this way!

Who needs a ball point?

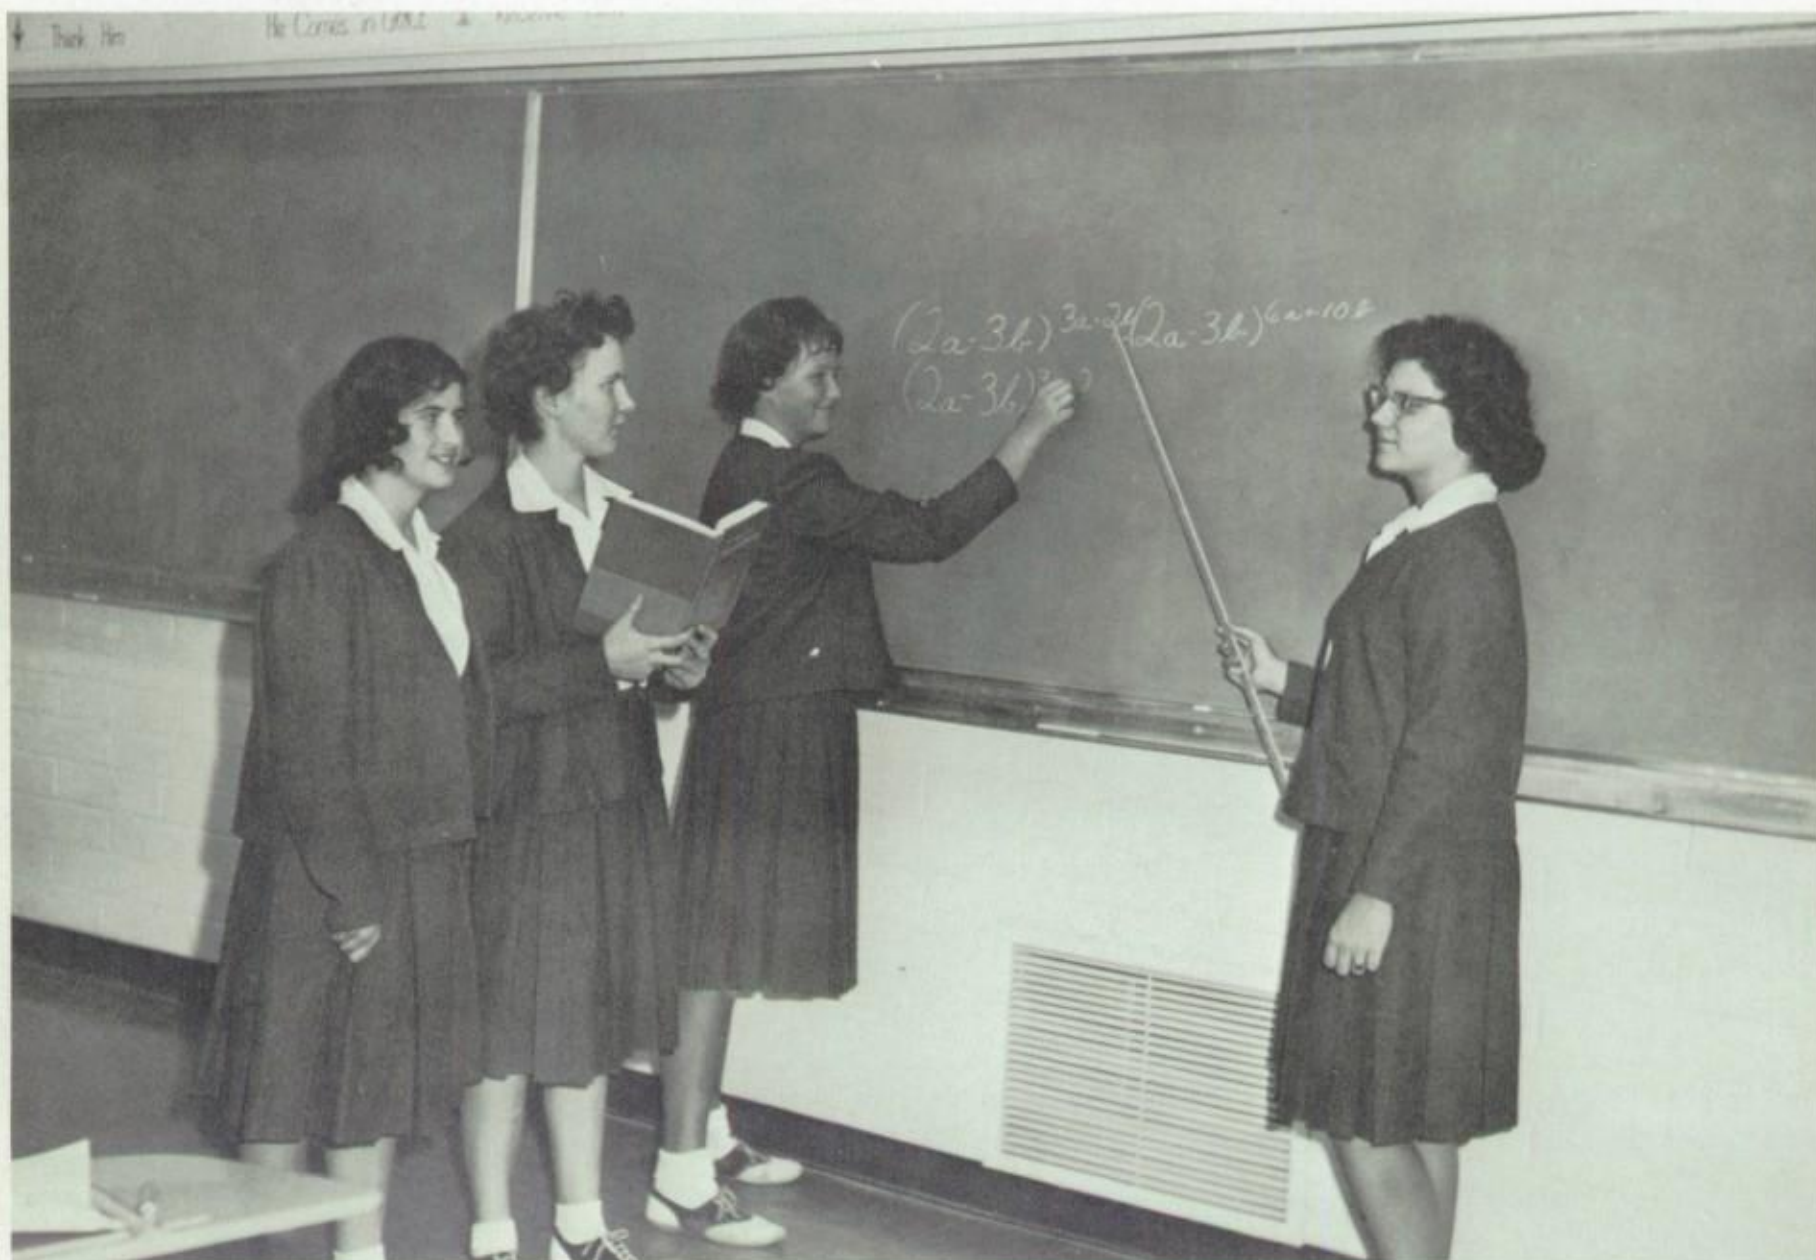

In Sophomore English "the play is the thing" as Peggy Warner, Norah Theisen and Mary Halas master the art of puppetry.

Voice control, imagination, and dexterity are needed to produce a good puppet show.

-- and naturally the puppets speak English!

Algebra

Girls Dept.

Freshman Algebra is taught by Mother M. St. Rose, I. B. V. M.

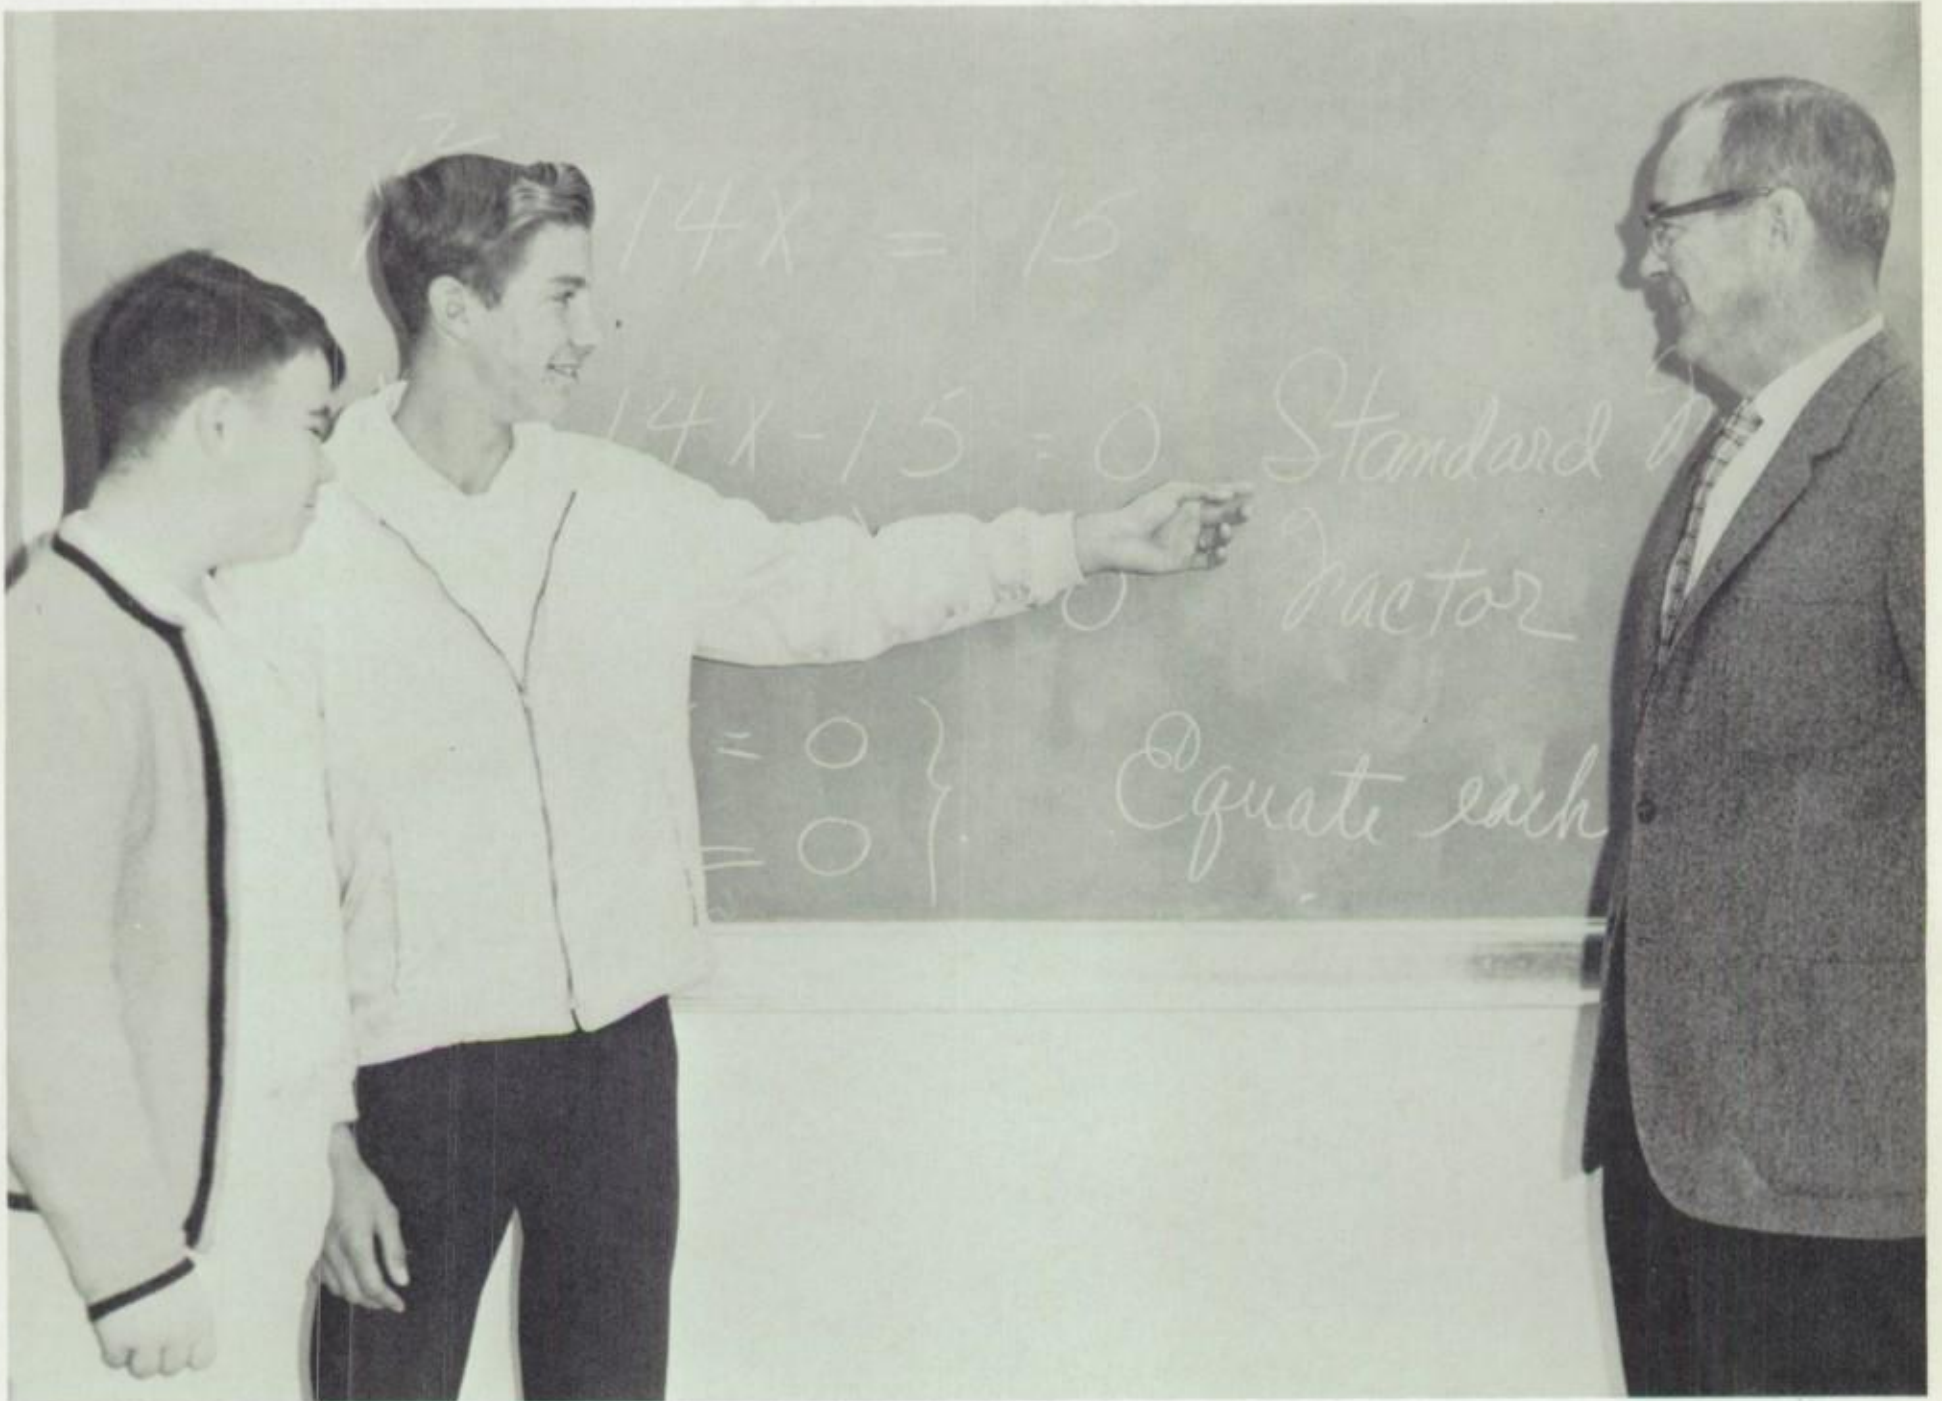

Pictured above are Carla Doty, Jerrelyn Garrity, Roberta Young and
Susan Gough.

The new approach to Algebra is used at Bourgade. Students anticipating attendance at college after graduation are urged to take this important course.

Last year's Algebra students entered the Arizona Mathematics Contest and brought home several prizes.

We look for a repetition this year.

Algebra - Boys

Section Two Algebra Class

Pictured above Ross and Mion explain "something" to Colonel Burns.

Col. Burns is a new member of the Bourgade Faculty this year. He teaches Algebra and Geometry and serves as counsellor for freshmen students as well as sponsor for the Bourgade Rifle Club.

The Colonel's students are entering the State Math contest, too... and we wish them every success in the competition.

Biology

Sr. M. Lorene C.H.M.

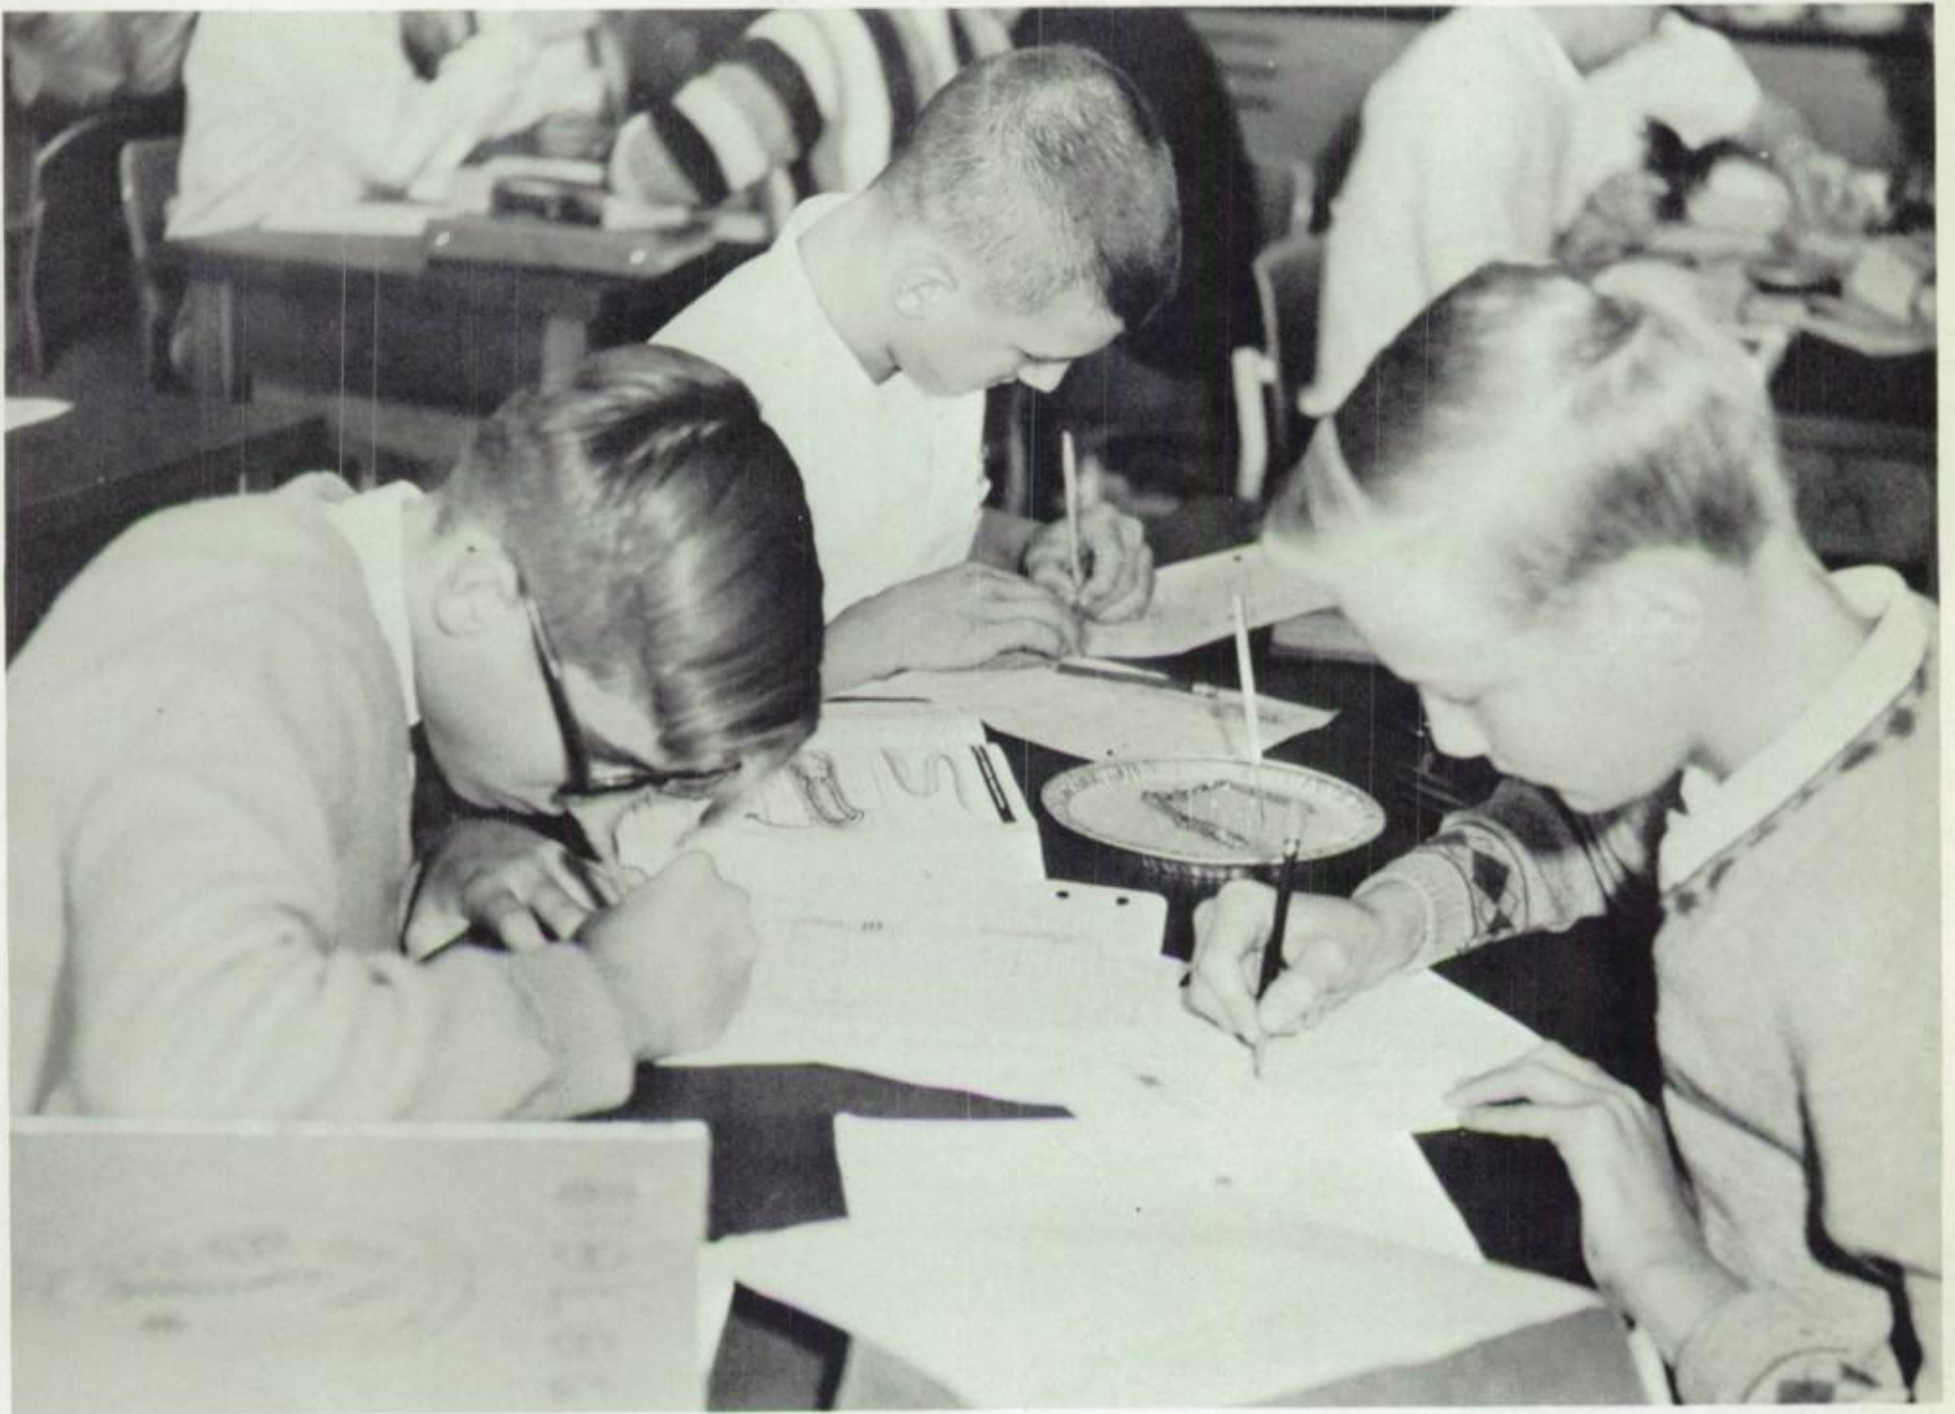

Biology! The girls love it! Well, sometimes they do... it all depends on what's being studied... and what you have to do with what's being studied. Sister Mary Lorene's students are getting very adept with scapel and whatnot. Take a look at the picture... Cathy Connell really doesn't think it as funny as Norma Terborg would have us believe!

Biology is-ESPECIALLY nice in the afternoon... ESPECIALLY when you are cutting up a fish, and a nice Lenten Fish Supper awaits you at home.

Biology

Fr. Fox, S.M.

A new course for the boys as well as the girls, Biology and its laboratory work seems to be quite popular at Bourgade. The boys are taught by Father LeRoy Fox, S. M.

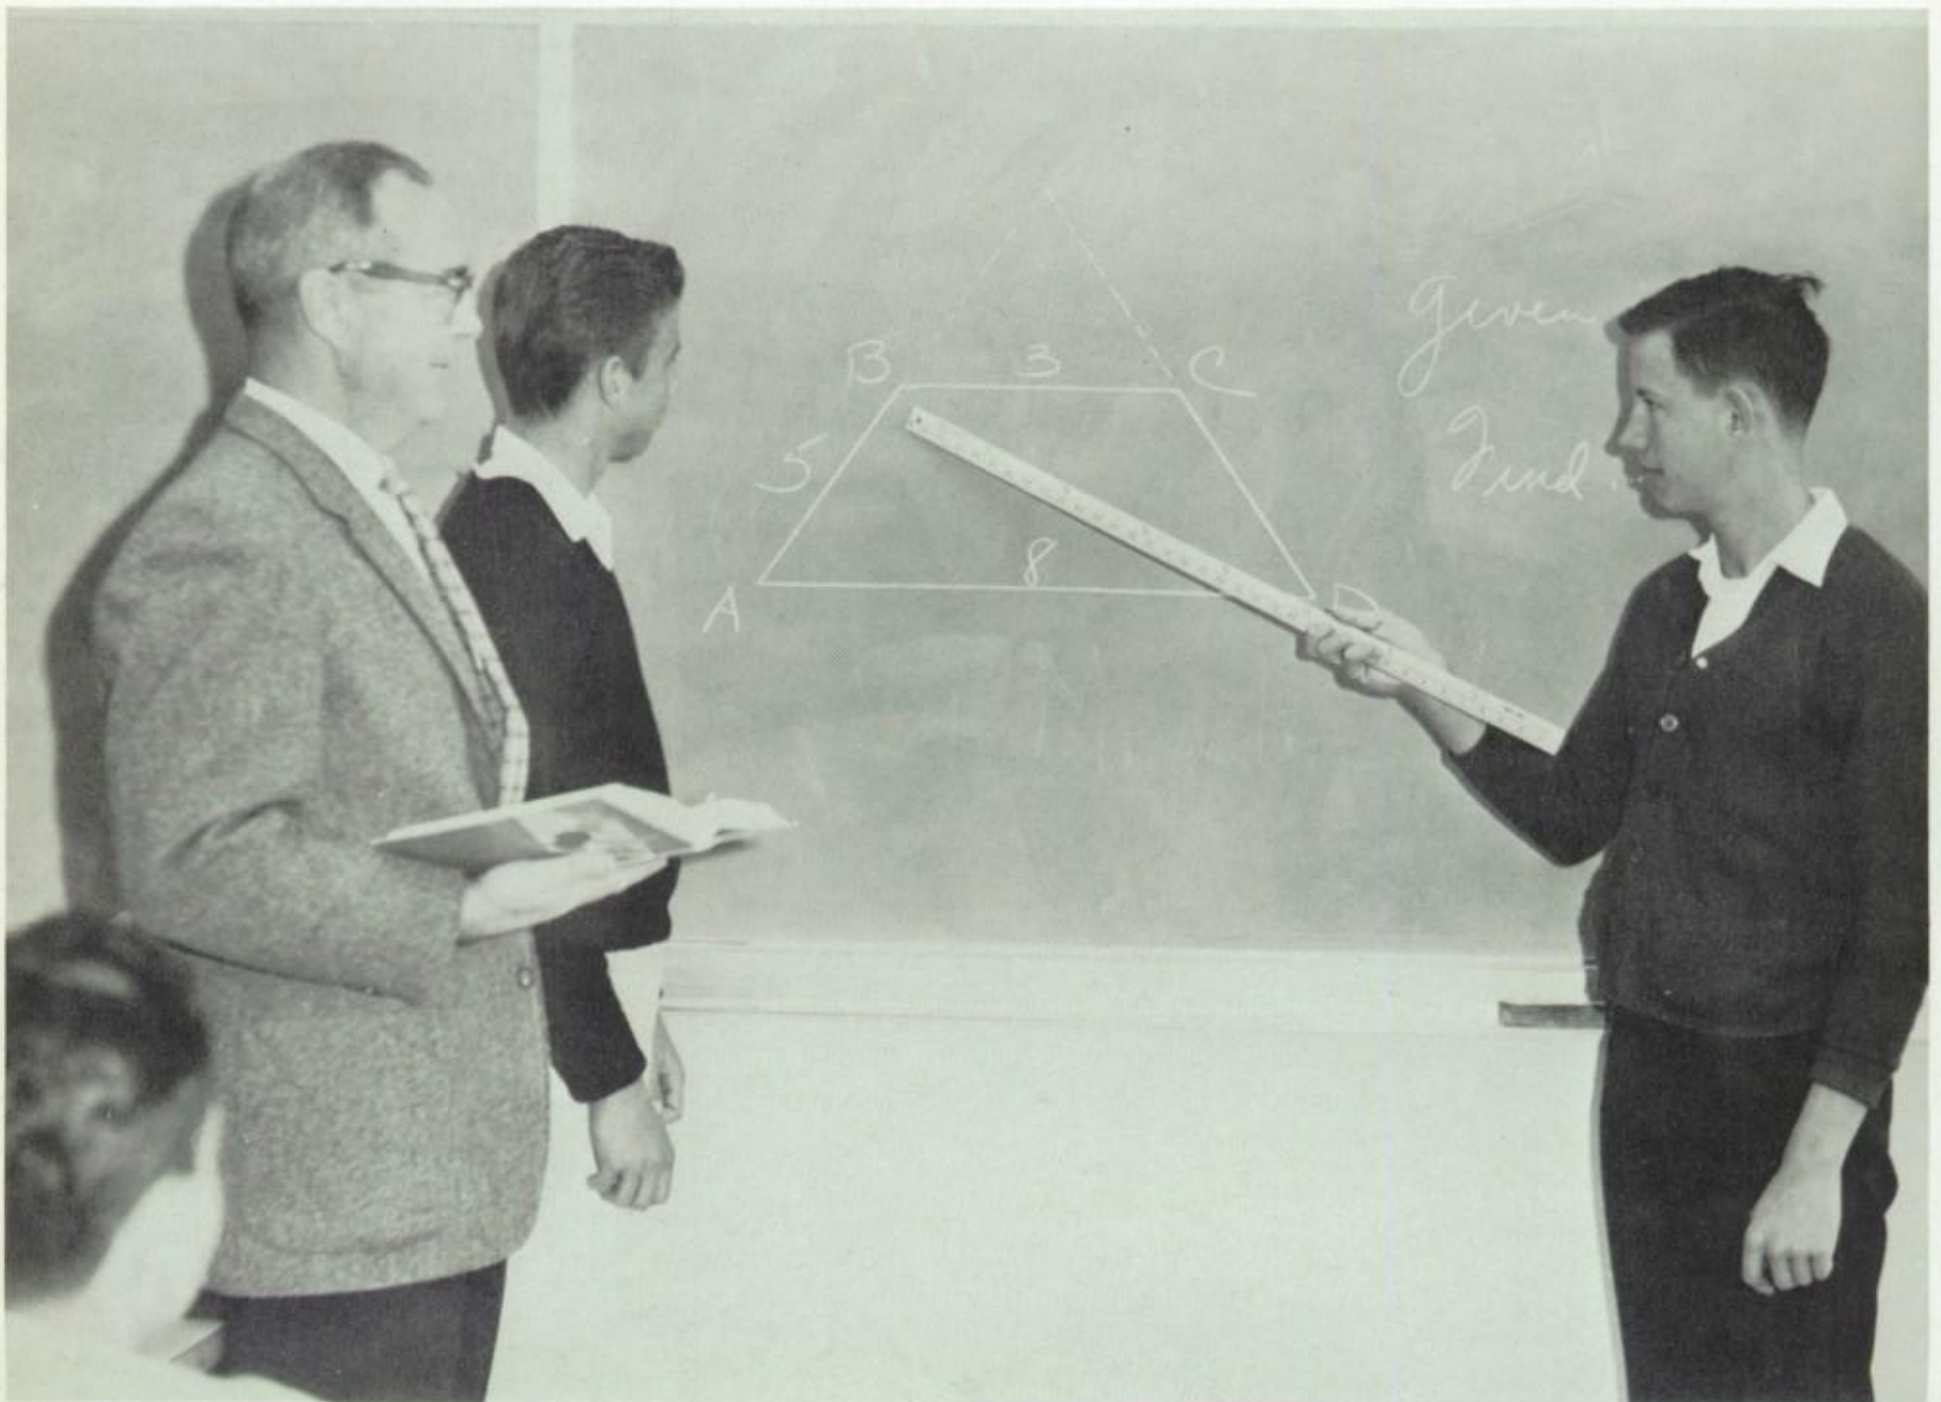

Pictured above a section of the biologists work on a project:

L. --R.: Klein, Krecji and Knefel...the "K" section of the lab, no doubt.

All sorts of interesting animals are housed in the lab including Homer Gopher, jr., black widow spiders, and tropical fish...an interesting place to visit...with permission, of course.

Geometry

Col. Paul Burns

It all depends on the angle... so say Pat Richardson and Roy Morgan as Colonel Paul Burns questions them at the blackboard during Soph One Geometry Class.

Visitors to this class will find many interesting problems and the answers to same written on the blackboards.

Geometry is also new to Bourgade this year... but, so is every other soph subject.

Geometry

Mother M. St. Rose I.B.V.M.

Mother M. St. Rose, I. B. V. M. teaches the Girls Geometry. . . . The interesting display before which the girls are standing makes the Geometry classroom sparkle.

Pictured before their display are left to right: Mary Ann Forster, Judy Hentz, Jean Warford and Patty McGinn.

Girls' Latin

These Sophomore Latin scholars are smiling happily because apparently they know the answer.

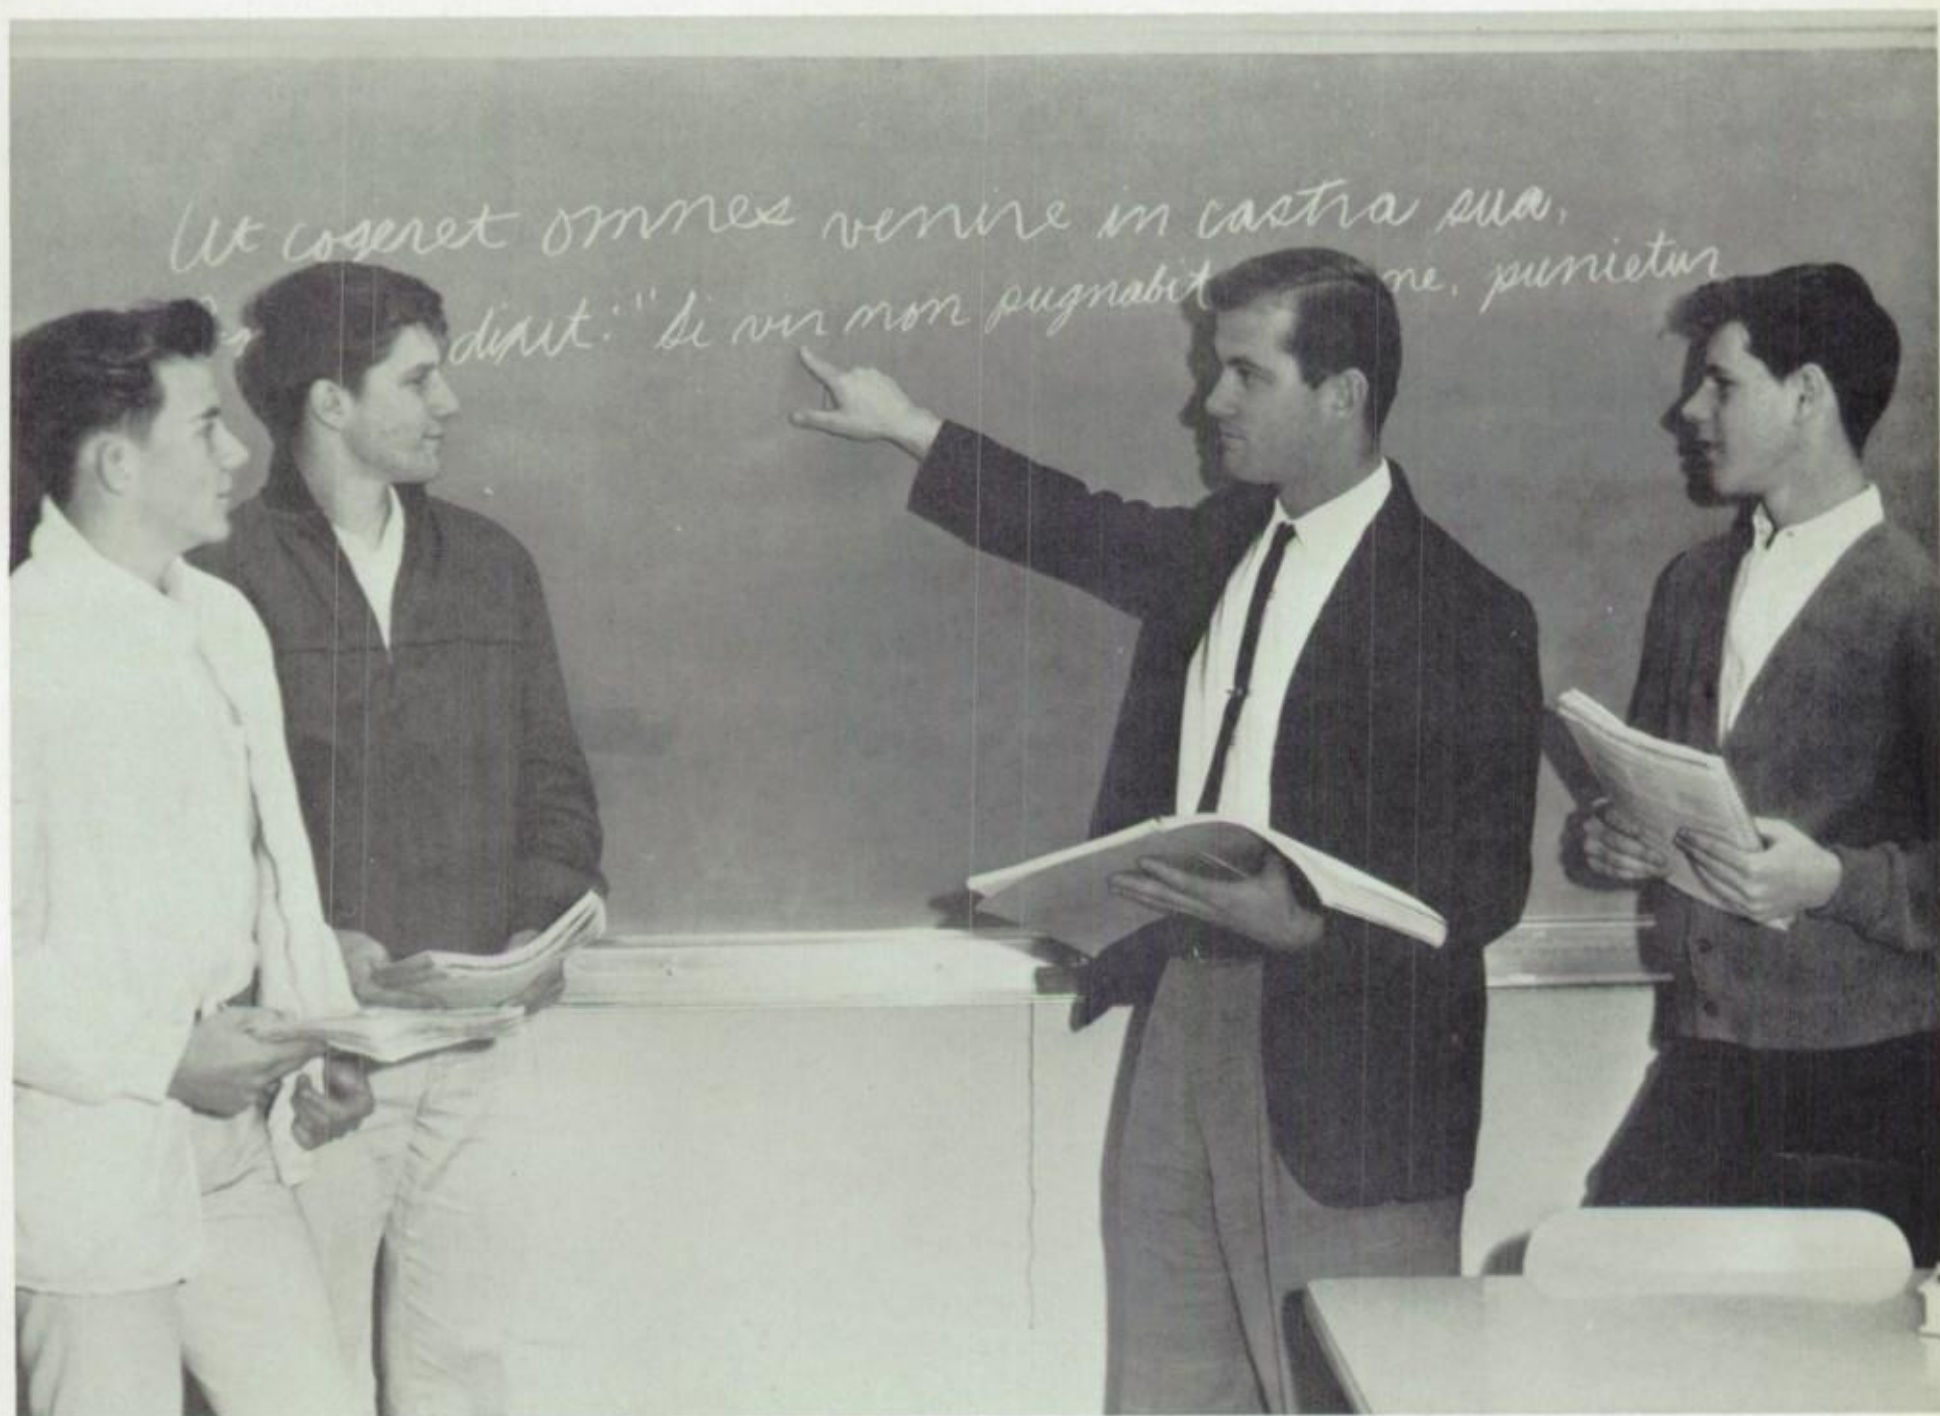

Standing: Beth Cummings and Marilyn Kaltenberg. Seated: Barbara Tomasek, Berbadette Butkiewicz and Barbara Weidler.

Freshman Latin Students must be using flash cards today.... Judging by their smiles, they, too, know all the answers...and want to show them to us. Pictured here: Sandra Kienzle, Linda Sweeney, Jacque Beach, Catherine Formanack, Jacqueline Evans, Linda Callan, Peggy Cunningham, Peggy Colabianchi, Rita Bolton, Joann Vukovich and Virginia McGinn. Seated: Marie Hart, Theresa Warner, Carla Doty and Debbie Lancaster.

Latin

Mr. Lenegan

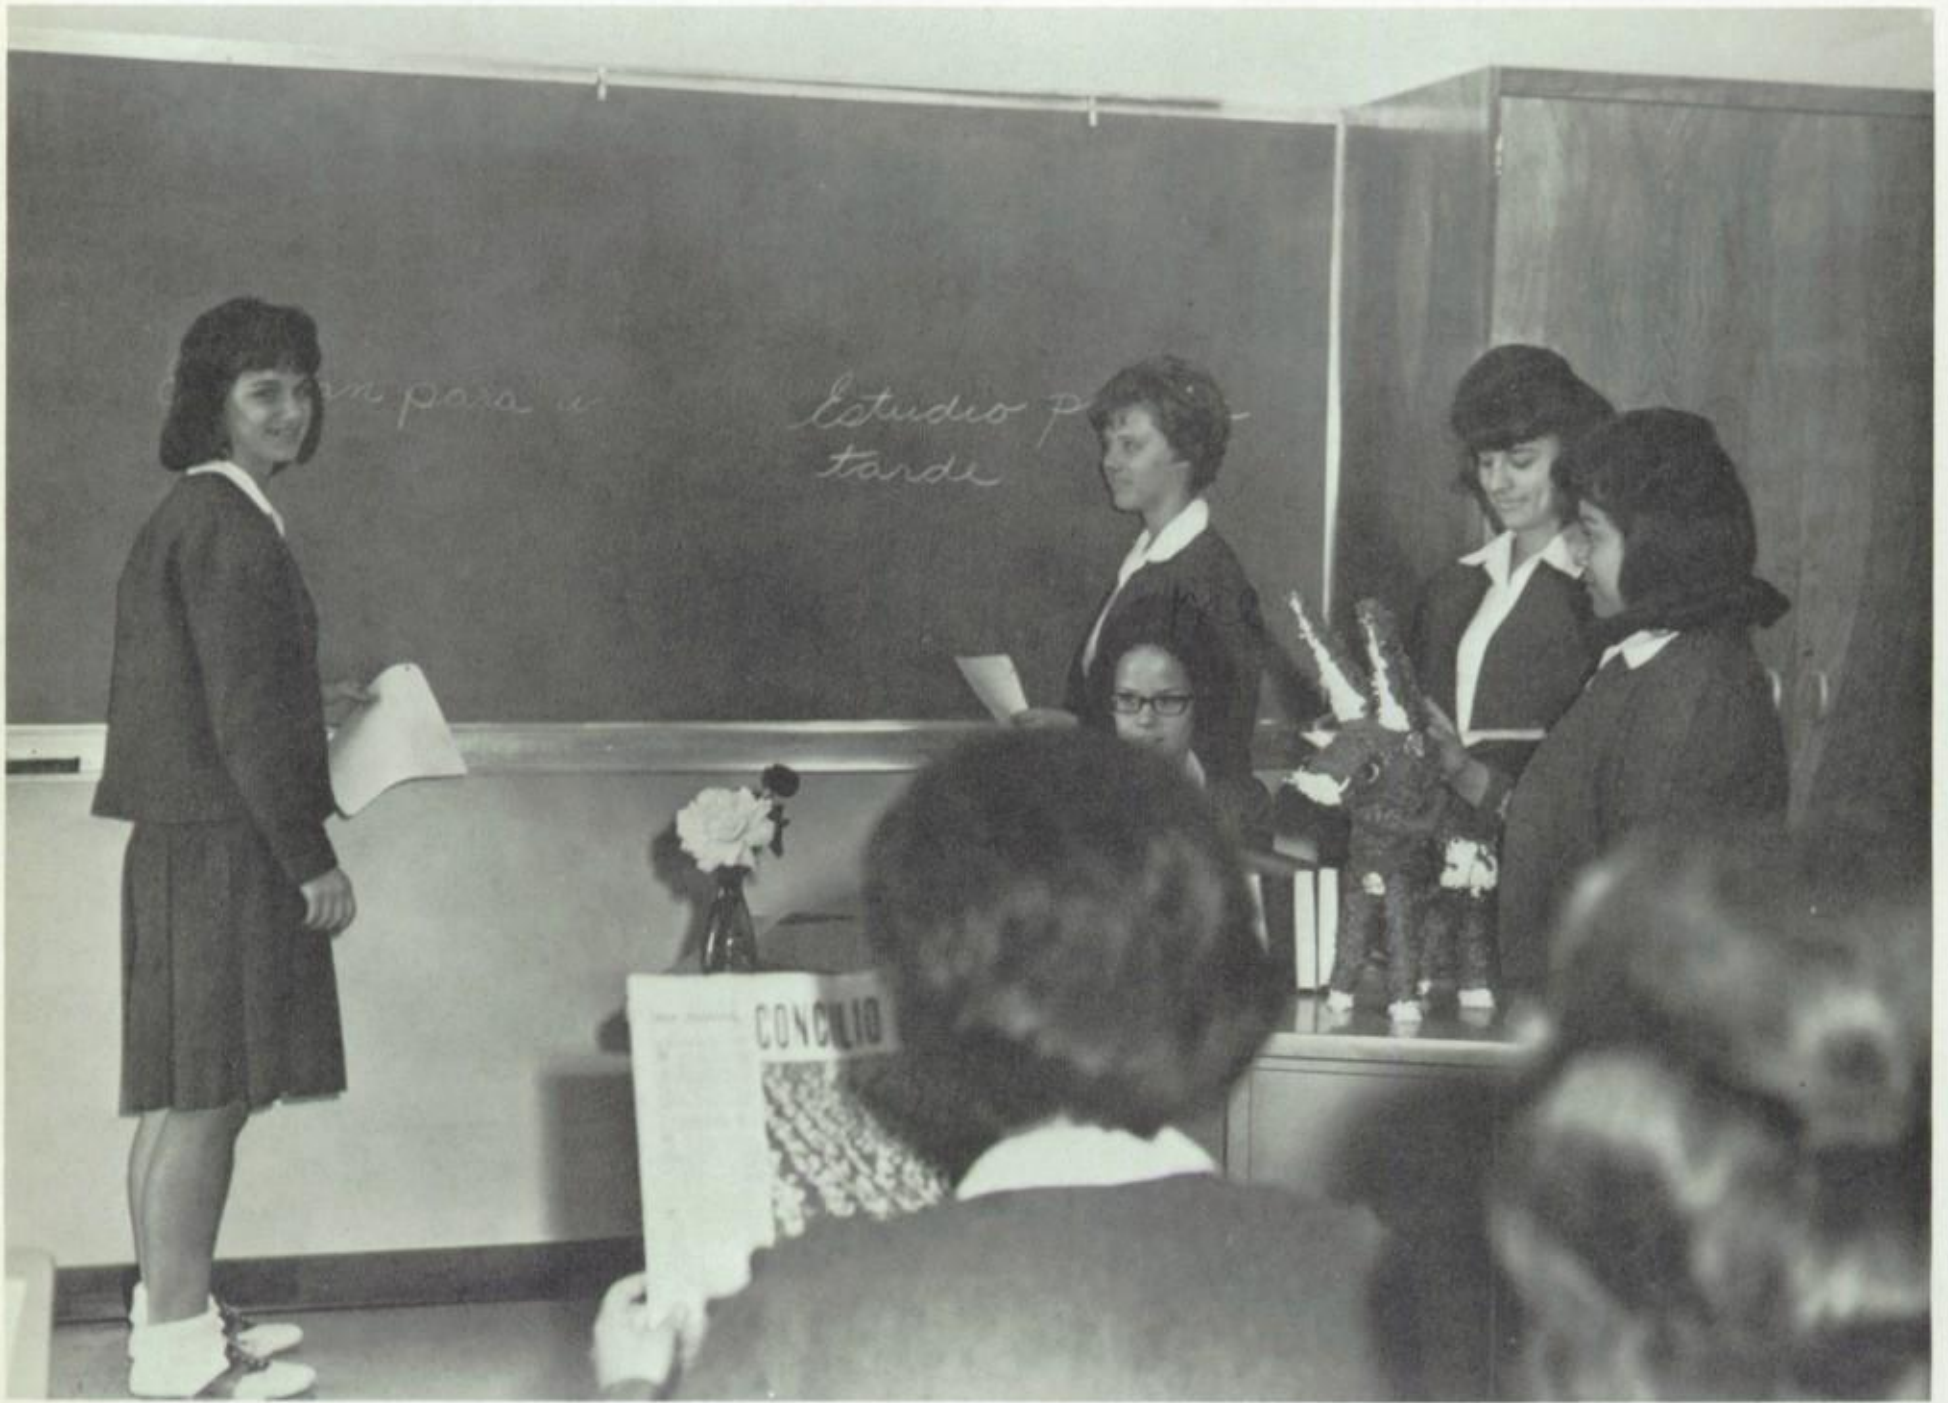

Mr. Lenegan's finger is pointing to the word VIR... and the VIRI of Sophomore Section One are listening as he explains the construction of the sentence. Latin II class continues the Natural Method by Father Most.

Pictured with Mr. Lenegan are Mark Huff, Mike Doles and Thom Khaler. College prep students take a four year course in Latin at Bourgade... this will fit them for any scientific or professional career they may have in mind. The future atom splitters, doctors, dentists and lawyers, architects and engineers are getting a good start right now.

Spanish II

Sr. Mary Augustine, C.H.M.

L. --R.: Barbare Mentemeyer, Linda Metzger, Madelyn Lesh, Cecilia Waugh, Virginia Austin... Spanish scholars from Sister Mary Augustine's Spanish II class.

Note the cute donkey on the desk! The Spanish class enjoys the pinata!

This group has mastered several beautiful Spanish songs which have been shared with the entire school.

They also have had a conversation with a real-live Spanish priest, Father Herrasti, S. M. who stopped off to visit them en route to Mexico City.

Spanish I

Fr. Fox, S.M.

When this picture was snapped Father Fox, S. M. was Spanish teacher for the boys. Since that time a change has been made!

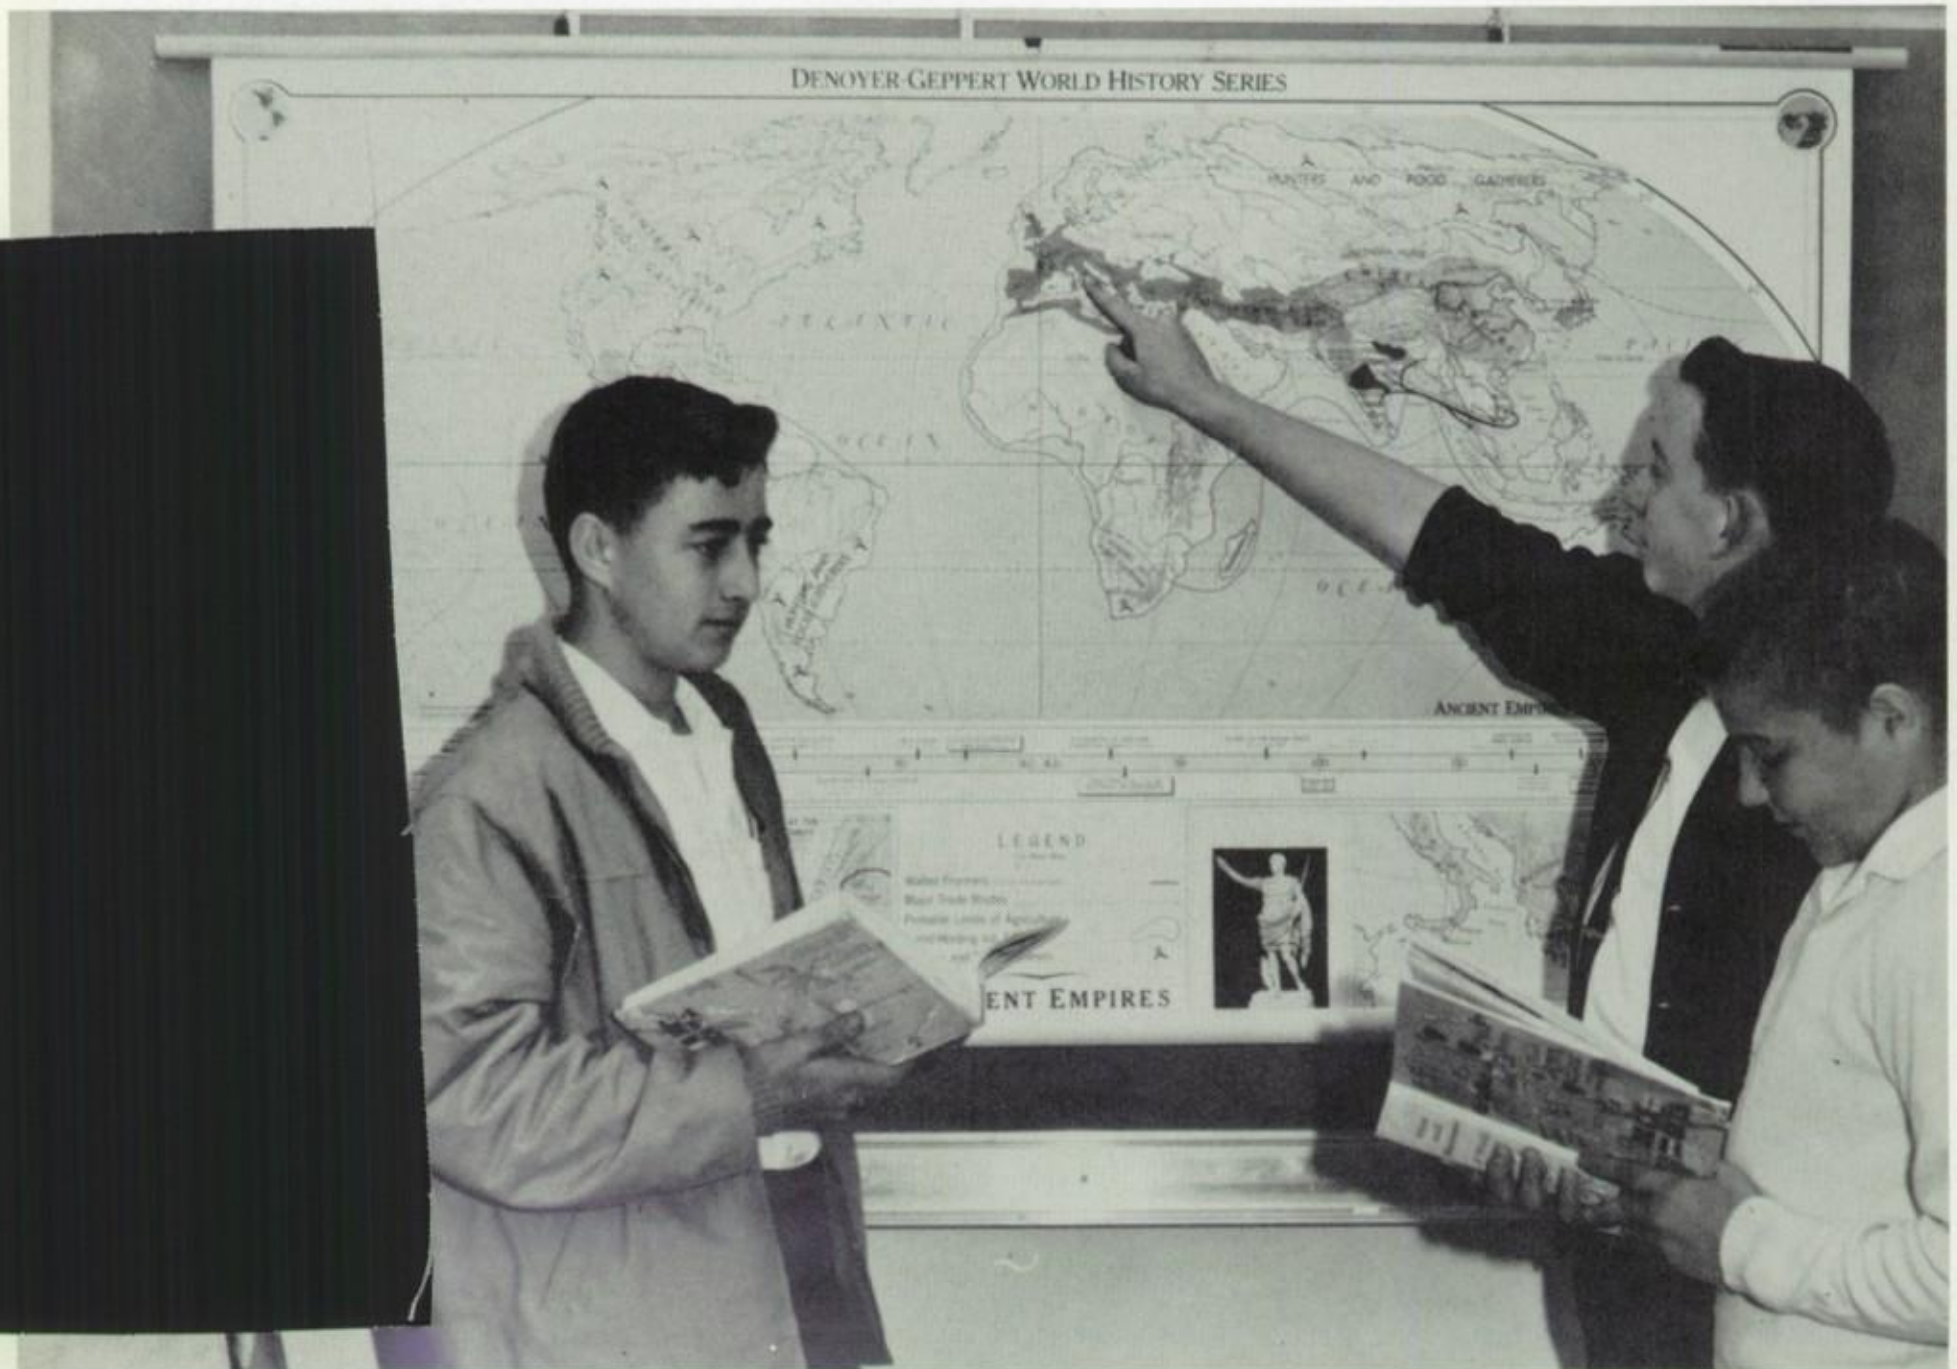

Father Gabriel Ormonde, S. M., newly ordained Marist Father from California, is now professor of Spanish... much to Father Fox's relief, no doubt!

Pictured here with Father Fox are Dugal, Kavanaugh and Moreno.

No great shakes at singing, these Spanish students are learning to talk the tongue from south of the border, but we are hoping to hear them go into music before too long... betcha Father Ormonde plays his guitar for them yet!

History

Mr. Goyer

Mr. Robert Goyer teaches Section III History class. Here some of the students pose for our ANCHOR photographer. Seems as though they are looking up a location which has been found.

L. --R.: Bisig, Ouellett, Carney and Dessaint.

The girls may go modern in their history... these lads are content... for this year anyway... to be ancient.

Girls' History

Modern girls study modern history. Standing: Virginia Quirk, Kathy LaBran, Barbara Mentemeyer, Linda LaPosnie, Karin van Nieuwenhuyse. Seated: Ann Simmons, Jane Cassise, Karen Frost, Valeriana Perez, Mary Ann Kuhens, Judy Bukey, Jackie Jasman, and Christine Staab.

No less modern are the young ladies who study World History, for the modern Miss needs to know the world in which she lives.

L-R: Janan Siesco, Linda Mason, Rosemarie McCarthy, and Kathy Abounader.

Knowledgeable Catholic Girls keep abreast of the Modern World.

Music

Sr. Mary Simone, C.H.M.

The Girls Department has special music classes conducted by Sister Mary Simone, C. H. M. Gratefully the Fathers acknowledge the assistance of the girls in singing the chant for High Masses in the school chapel.

Pictured here with Sister Mary Simone are, left to right, --Linda Mason, Sharon Markham, Jane Griffeth, Jacque Carpenter, Ann Della Calce and Frances Charlebois.

Health

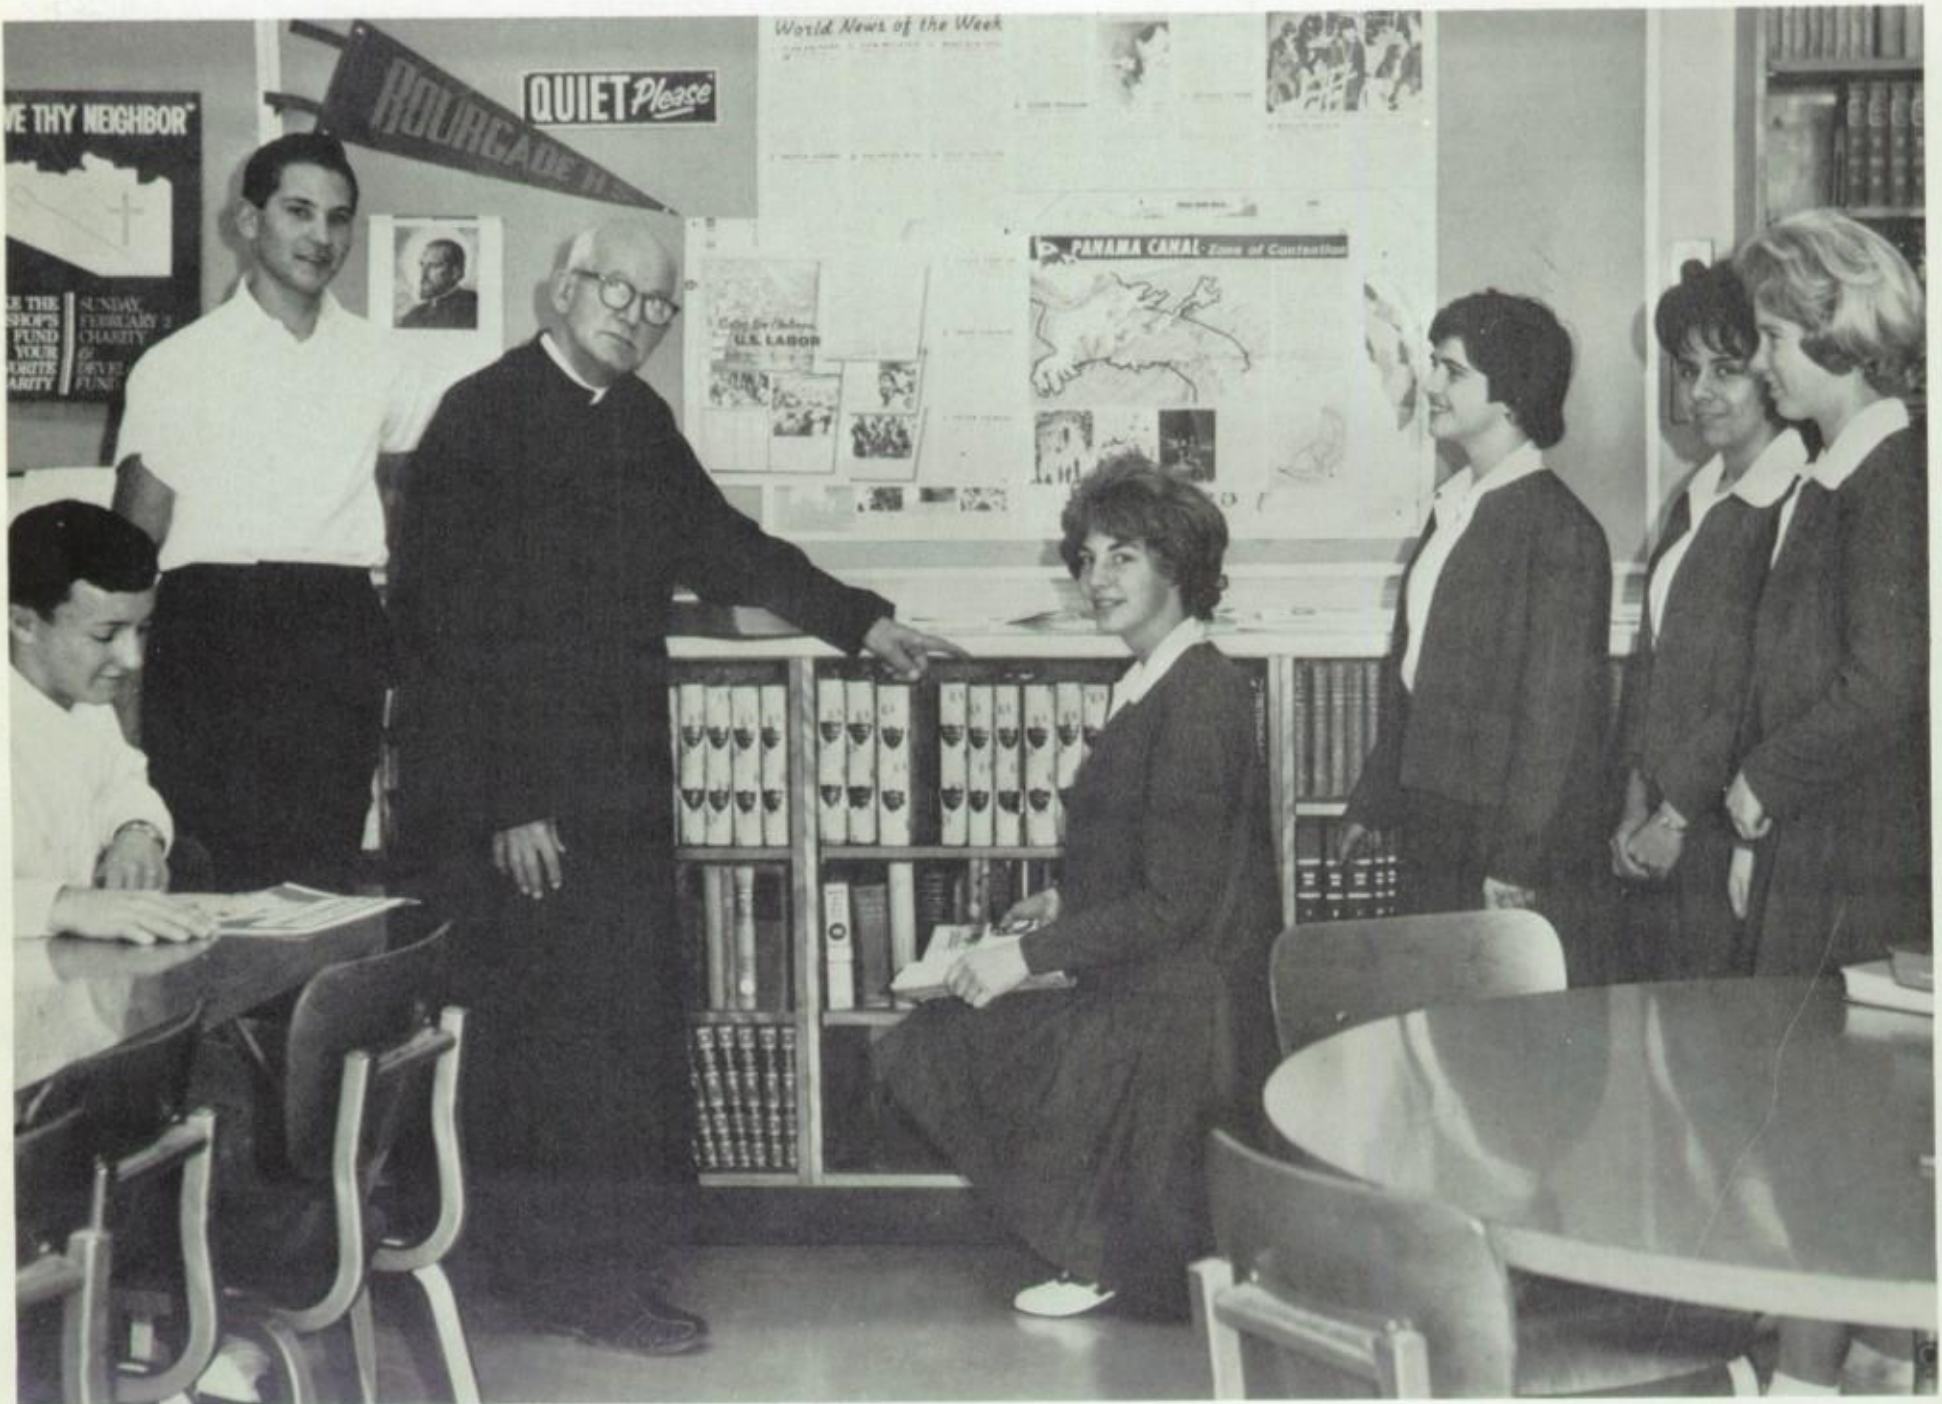

Bro. Champeau, S.M.

Mens sana in corpore sano... that's the motto of Brother Champeau's Health class of Sophomores Section II. It seems to be an interesting study from the apparently happy faces depicted here. Happy faces belong to Torrez, Mellecker, Meehl, Mercurio and J. Flavell. Latest reports from this class have it that they are all... non-smokers... non-drinkers... and heavy eaters. Healthy lads, wot? All joking aside the lads in this section have an altogether different approach to the business of health after a year in this course. It is really worthwhile, they say, and mean it!

Library

Fr. Emmerth S.M.

Everybody at Bourgade likes the library... and the Librarian... Father Louis C. Emmerth, S. M. , M. A. , S. T. L. Pictured here with Father are some of the students left to right: Phil Ruocco, Vince Immordino, Father, Kathleen Henningsen, Carla Doty, Geraldine Sosa and Virginia McGinn.

Outstanding activity of the Library this year was the four day Book Fair. Aided by Mother Aquinas, I. B. V. M. and Brother Peter, S. M. , Father staged a most successful display and fair. Profit went towards increasing our growing library.

Foods

New in the Bourgade curriculum this year was the Foods Class. Our modern Foods Laboratory provides all the necessary equipment for the prospective home-maker.

New, too, is our Foods Teacher, Mrs. Jane Smith.

Judging by the enticing smells that emanate from this area the girls are really cooking with gas...and electricity.

Standing L-R; Kathleen Short, Judy Vannasdale, Theresa Walsh, Kathleen Lazzari, Kathy LaBran, Christine Staab and Mary Ann Kuhens. Seated: Virginia Quirk, Jackie Jasman, Karen Frost and Valeriana Perez.

Foods Teacher Mrs. Smith does a big job well. The smile shows it! Fathers and nuns have tasted the "goodies" which come from her lab. Yum! Yum!

Art

Fr. Fox, S.M.

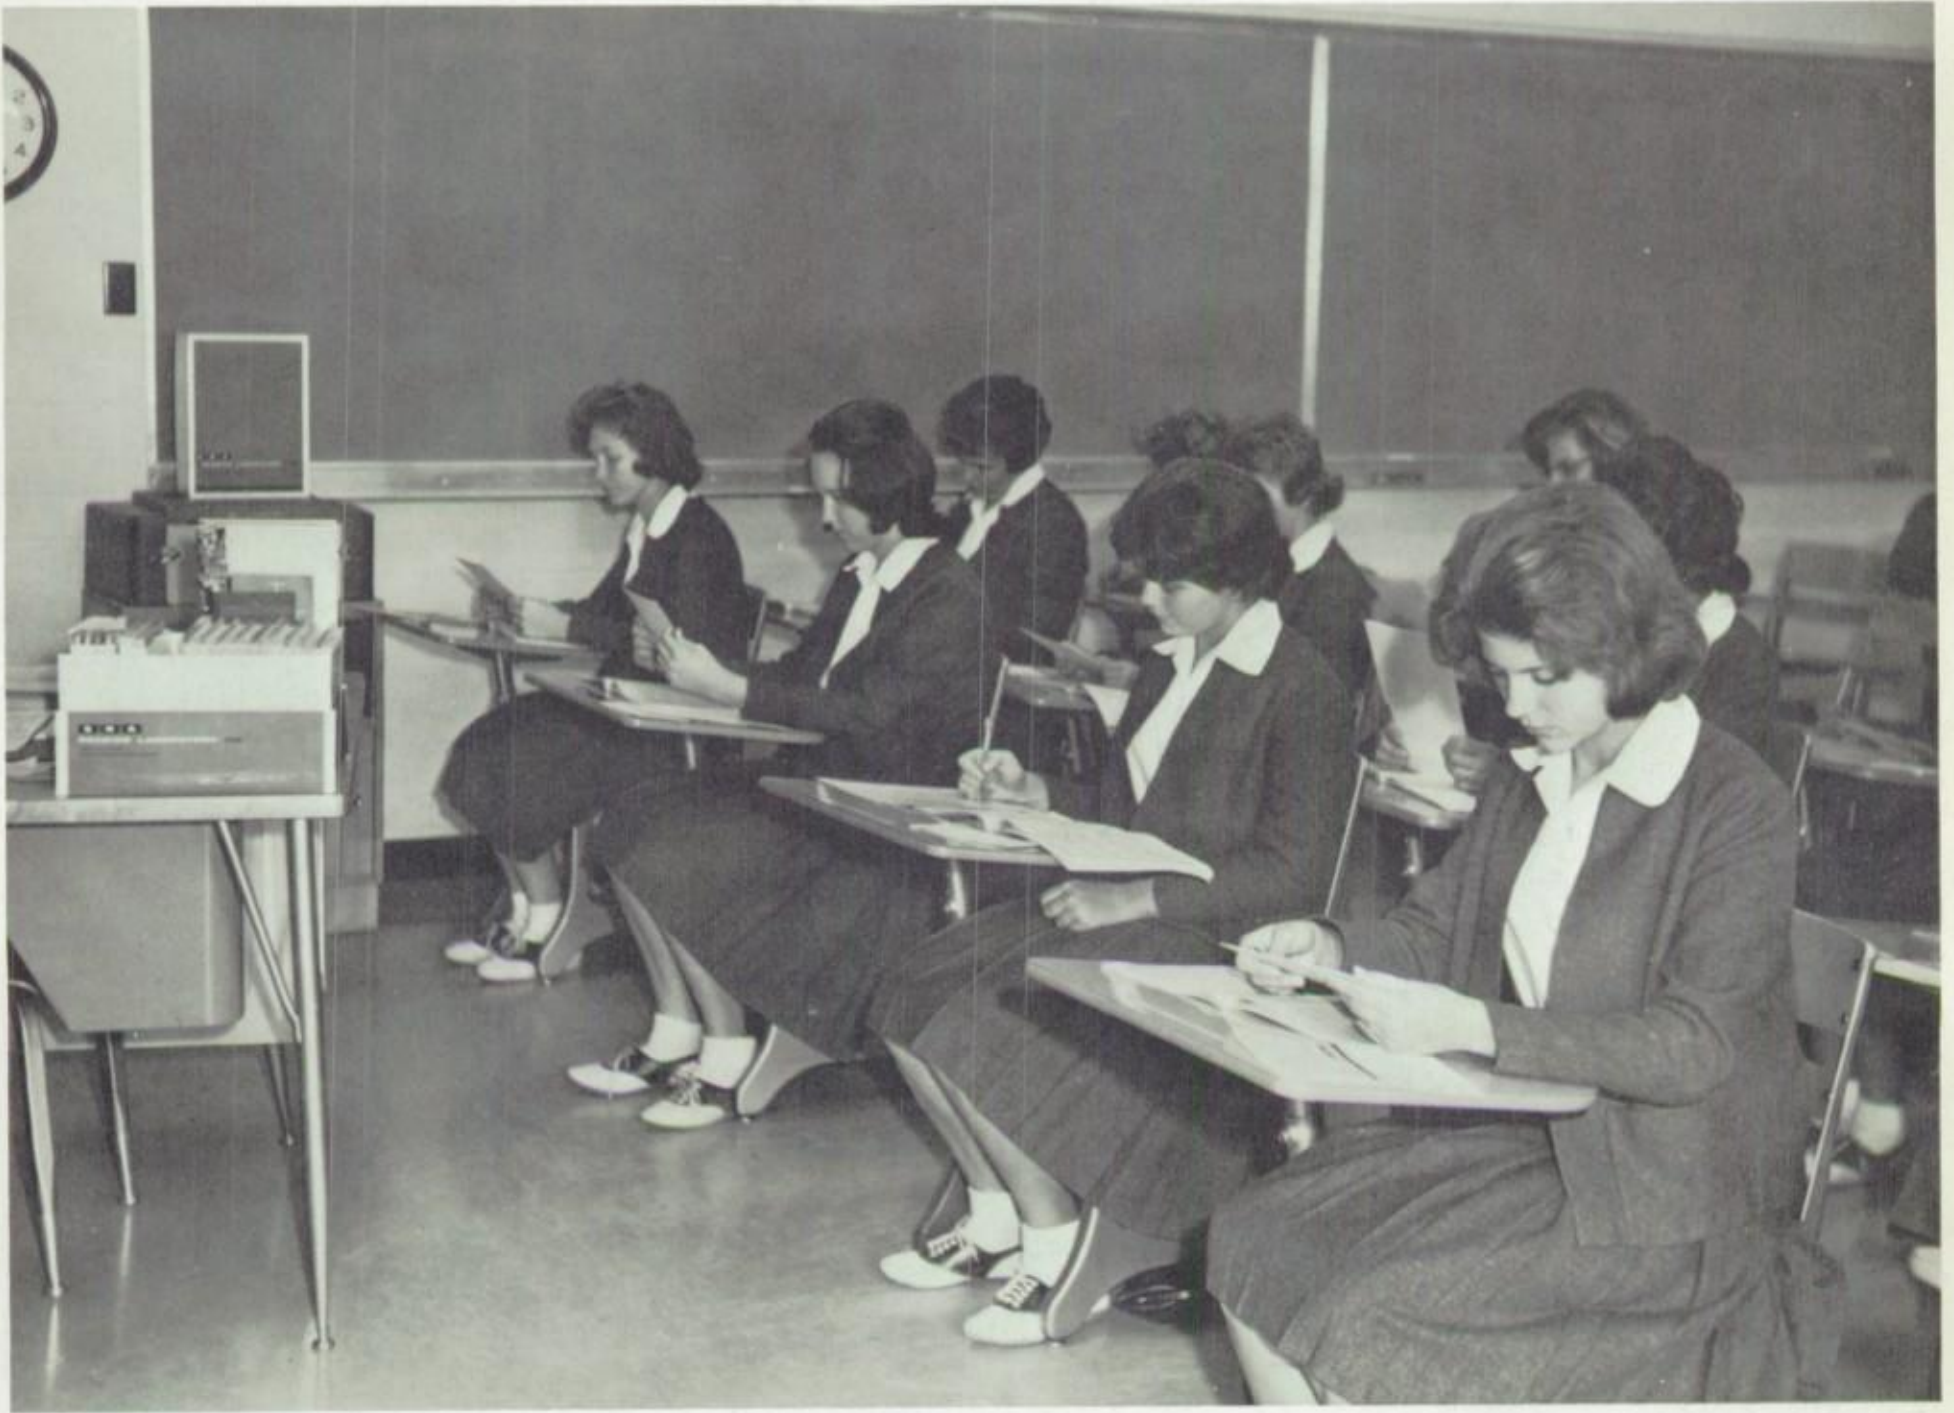

The second year of Bourgade High School's existence brought many new courses made available for our students. A very popular course is Art. Father LeRoy Fox, S. M. teaches a mixed class of boys and girls art at the sixth period each day.

Our Art room is equipped in a way as modern as tomorrow and the students are making the most of the facilities provided. A visit to the art room will convince anyone that interest and industry prevail here. Student work is on constant exhibit and the progress from the beginning of the course until now is visibly evident.

Reading

Sr. Mary Simone, C.H.M.

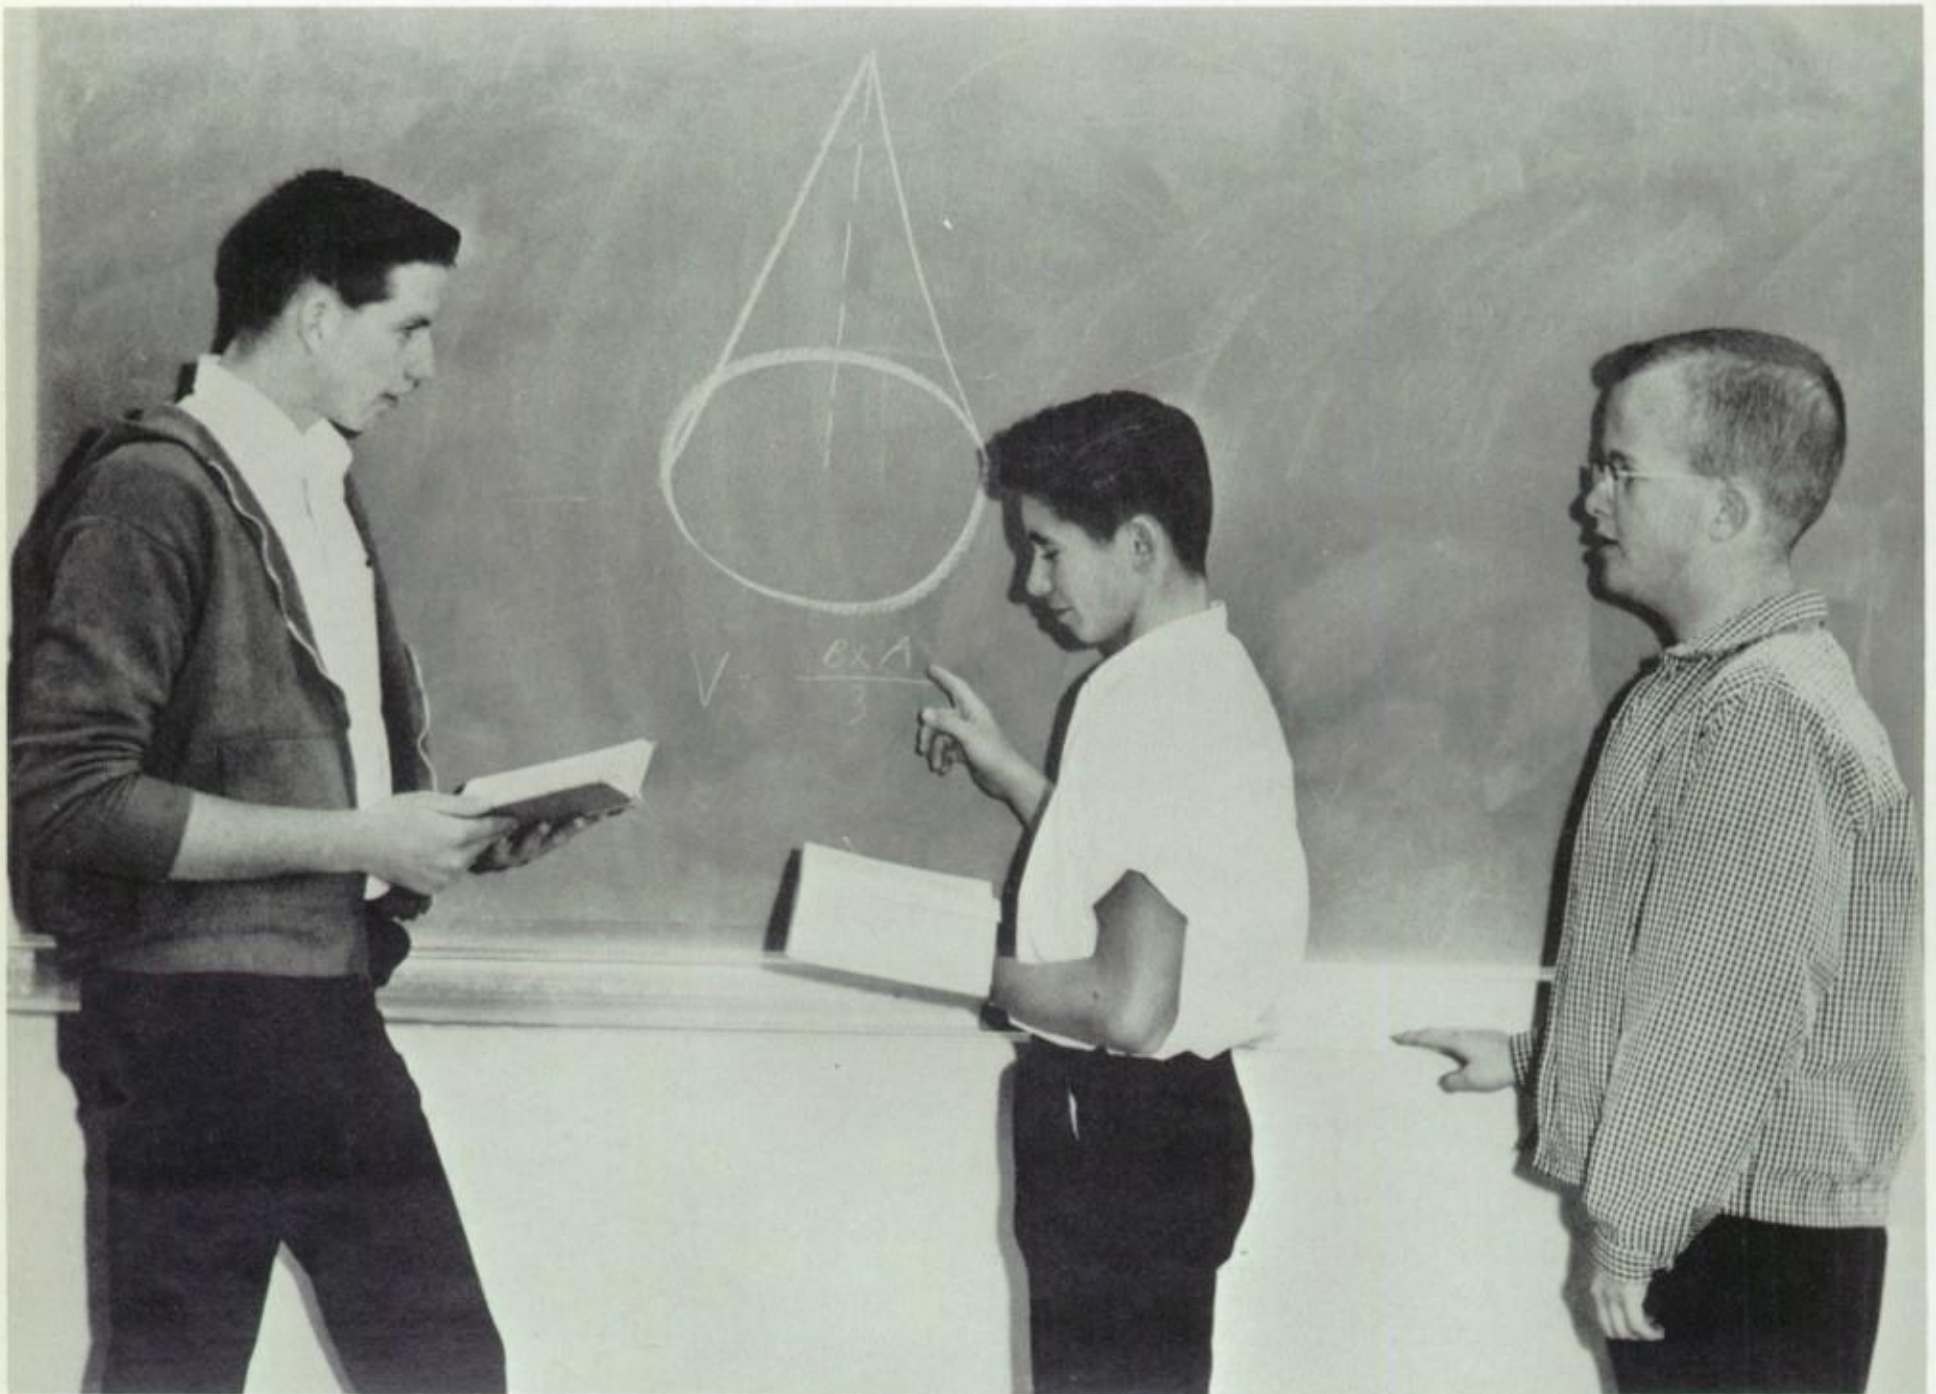

Pictured above are the girls who take Sister Mary Simone's Reading Workshop. Advancement in reading prowess is most important in this day and time. Work that goes on in the workshop will mean advancement and the building of reading abilities.

Modern methods for this course are provided. Improvement has already been noted.

Math

Mr. Goyer

Laying the foundation for future business procedures are the students of Mr. Goyer's Economic Math course. Section Two Sophomores take this course as a solid.

General Math for the freshmen prepare them for entrance into the Business department at Bourgade. Next year will see the beginning of further business courses for those who are interested and qualified.

At the blackboard above are Tom Carney, Tim Simmons and Jim Burns.

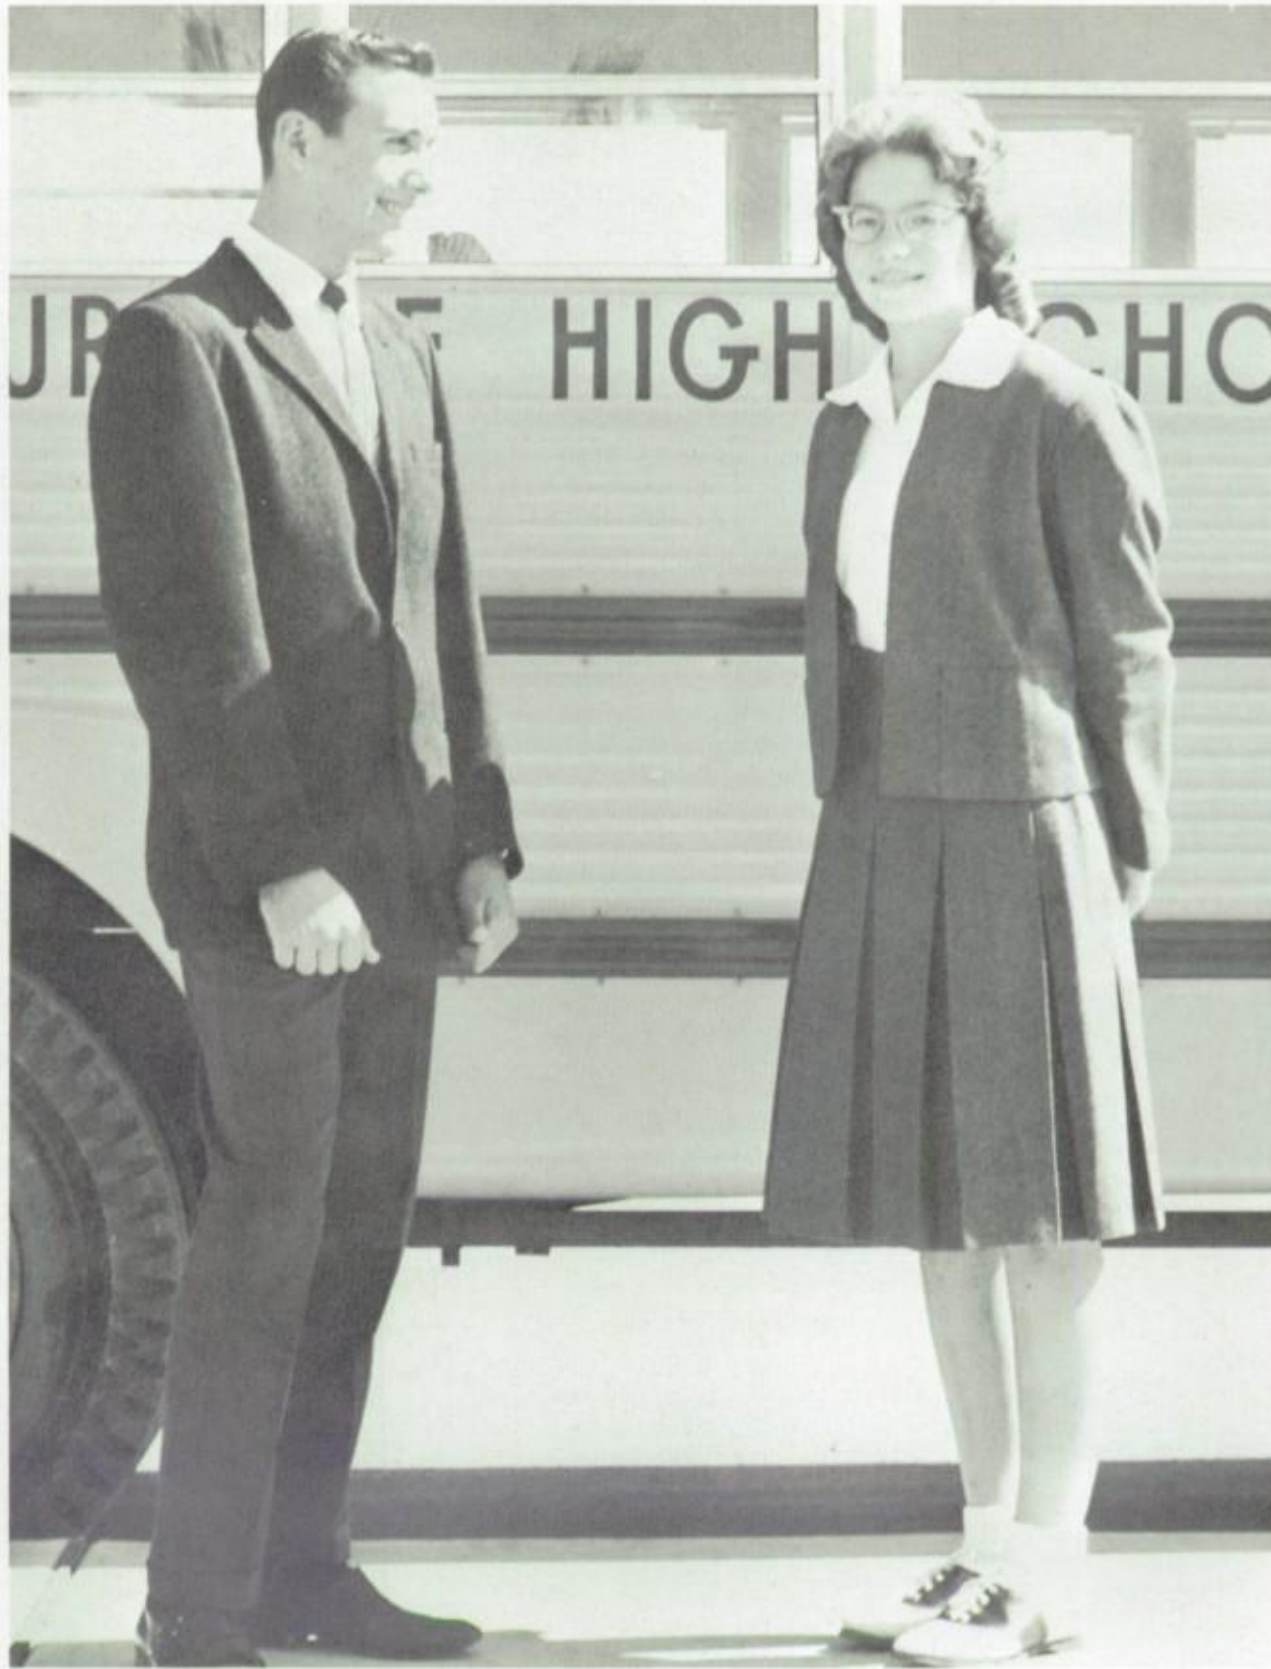

Physical Education
Mr. Goyer, Mr. Lenegan
Miss Hobart

Under the able guidance of Messrs. Goyer and Lenegan, and Miss Hobart students at Bourgade have a well-organized Phys Ed Program. Mens sana in corpore sano... exercise helps with studies.... Enthusiasm runs high ...

Bourgade's Uniform

This year Bourgade's students blossomed forth in real sharp uniforms. Pictured above are Bill Fait and Ardis Middleton modeling the daily wear of the Blue Angel students. (note the Blue Angel's bus in the background!)

Students have had different opinions about the uniforms...some are pro and some are con...but they wear them daily nonetheless and really present a good picture of well-groomed teenagers.

Activities

The Fair

The big event of the year was the BOURGADE FAIR.... ..

Roses for the Queen

Every Fair has a Queen. Bourgade's Queen of the Fair was crowned by Monsignor Gordon and received a bouquet of red roses from Father Hillmann.

A real Queen, Nancy Facio reigned over the Fair with regal beauty and grace.

Nancy received the honor as a result of hard work in a busy election campaign.

The Fair Entertainment

NATIVE ARIZONA INDIAN DANCES.....

The celebrated Hoop Dancers from St. John's Indian Mission performed many intricate and internationally famous dances at the Bourgade Fair.

Costumes made of native materials added gay color to the interesting stories told by the Indians in their dances.

Everyone who saw the performance praised the young men for the real artistry they manifested.

...AND...THE FAMOUS NIJINSKI PUPPETS....

...And then there was the marvelous Puppet Show put on by Tamara Nijinsky and her troupe.

Youngsters of all ages were enthralled by the life-like actions of the teddy bears and other animals.

Bourgade was honored to have such a famous puppeteer perform at our Fair.

..Too bad Tamara is not peeking out in this picture...

Dances

..Some wink, huh?

..THE WINNAH !

Dolores and Mike

Jim Burns makes an interesting point.....

The Halloween Dance was a riot of fun and imagination!

Costumes were good. Everyone enjoyed the evening ...even the chaperones.

Peter Axtell was the winnah! He came as an Elephant Catcher...(Know any good elephant jokes, Pete?)

The Mikado

The MUSICAL was the thing this year! Our presentation of the MIKADO surprised everyone, including ourselves. It was really good and we know it! Casting, costumes, scenery and music...the most!

Yum Yum and Nanki Poo

Katisha and Ko Ko

Christmas on TV

--A little distorted, but here is the Glee Club, Father Hillmann, and Tom Sherwood as seen on the Faculty House television screen.

Father Fox caught the program in action.

The Glee Club gave a fifteen minute performance on Channel 5.

The program was very well received and was repeated during the Christmas season.

Much credit has to be given Mr. Weninger who arranged and played for the program.

-- Some of the Boy Singers

-- More of the girl singers

Band and Glee Club

Really sharp in their new uniforms and choir robes the Band and Glee Club under the direction of Mr. Weninger gave a sterling performance for our Parents and friends at Christmas.....

Mascot

We chose this picture of our mascot, THE BLUE ANGELS, as being most indicative of how all of us at Bourgade must constantly strive for higher and higher altitudes in our spiritual, intellectual and social life.

Cheerleaders

Adding much to every game were our Blue Angel Cheer Leaders. For their faithfulness to we of THE ANCHOR pay them a big WELL DONE!

L-R: Elizabeth Trunza, Cecilia Waugh, Patricia McGinn, Kathleen Simon and Mary Hal

Drill Team

Something very new this year...OUR DRILL TEAM...and what an addition they have been to our various sport events. Half-time finds them performing for the guests and receiving the applause they justly deserve. GOOD GOIN'! L--R. Back Row: Norma Terborg, Alice McLeod, Cathleen Connell, Patricia Herwehe, Peggy Herwehe, Judith Hentz, Susan Smith, Claire Charlebois, Judy Chandler. Blue Angels Visits Bourgade

*Harry
Richardson*

Very few schools can actually have living, talking mascots! Bourgade has them and they are the most.

The Navy's Blue Angels are our mascots and they are also our very good friends. The Blue Angels are especially interested in Bourgade and have shown this by visiting us, appearing at our benefit dance, and also giving us several autographed pictures for our school.

Pictured above are: Marque, Kalkbrenner, Mandau, Lt. Robert Cowles, Richardson, Burns and

McCormack, on the occasion of our famous BLUE ANGEL ASSEMBLY when Lt. Cowles addressed us and showed us our Blue Angels Mascots in action.

Playing many times out of our own class because of scheduling difficulties, our Blue Angels nevertheless came up with an enviable score of 5-5 for the season! Our congratulations to the team and their coaches and to the various managers. It takes all of them to make a fine team like the 63 Blue Angels!

Not pictured is Mr. Bob Kovalcik who did much towards making our first season so very successful. Our thanks to him and everyone who made the football year possible.

Bowling

BOWLING is not new to Bourgade. We had it last year. The moderator for the Bowling League is not new to Bourgade either. He is not new to bowling. He is Father Louis C. Emmerth, S. M.

Interesting games and play-offs mark an interesting Bourgade league.

Pictured above are L--R. Helen Burke, Father Emmerth, S. M. , Jacquelyn Evans, Nancy Hartman, Bill Klein and David Schmelzle.

Bowling awards are made each year at the annual Awards Day program.

Arbor Day

St. Gregory's Parish Girl Scouts presented a fine program at Bourgade High School on Arbor Day 1964.

Under the leadership of Mrs. H. Doles the various troops of girls from our parish (we are in St. Gregory's, you know) arrived en masse and planted fourteen palm trees for us. Seven they bought and seven they secured from the Valley Beautiful Program of Phoenix.

Bourgade students were given time off to watch the colorful presentation of this fine gift to our school.

Our band provided music for the occasion. Joe Lees, student body president, thanked the Scouts for being good friends of Bourgade.

Journalism

We have had a very successful year with our publication THE HALO... thanks to Sister Mary Augustine, C. H. M. and her Journalism Club. A brand new club at Bourgade it has already covered itself with honors among other clubs of its kind and its members have become familiar with student publication work and workshops.

Pictured above are some members at work: Gail Gollwitzer, Dwight Ochocki, Janan Siesco, Norma Terborg, Jim Morley, Norah Theisen, Tim Baranski, Mary Jo Marsh, Jim Shikany and Melanie Cole.
